

Realism

- Definition
 - Emphasis on the appearance of truth. Character is more important than the plot or action and complex ethical choices are often the subject. Social structure and class is very important. Events are plausible – diction is a natural vernacular.
- Naturalism
 - Focuses on how nature interacts with man. Nature is an indifferent force acting on the lives of human beings. Nature is not necessarily going to be on your side.
- Regionalism (local color fiction)
 - Fiction or poetry that focuses on specific features – including characters, dialects, customs, history, and topography – of a particular region. Since the region may be a recreation or reflection of the author's own there is often nostalgia and sentimentality in the writing.

Bret Harte: *The Luck of Roaring Camp and Outcasts of Poker Flats*

- Background
 - Lived in California for the majority of his life and career. Challenged general assumptions about the West and presented a first-hand view both realistically and romantically.
 - Focused on the various character types of California – where men were accepted for what they actually were. Lived in San Francisco.
 - Known for bringing of Western subjects to readers in the East. Created the West as a place of romance (while using his own realistic style).
- *The Luck of Roaring Camp*
 - A prostitute, Cherokee Sal, is found to be giving birth, an entirely new concept to Roaring Camp, which is traditionally filled with criminals and the reckless. The task of delivering is given to Stumpy, the surgeon.
 - Cherokee Sal dies but the baby survives. Gifts given to the orphan include a tobacco box, a navy revolver, a doubloon, and a diamond ring → variety. Kentuck forms a bond with the child after it grabs his finger.
 - The town unanimously decides to keep the child, they all love him and Stumpy is given the task of caring for him. "Tommy Luck" is the name decided upon for the boy. He is baptized (somewhat ironically) and a change overtook the camp. It became clean and acceptable. Nature was the boy's nurse and playfellow. This is referred to as the golden summer of Roaring Camp.
 - That spring, a hotel is proposed. That winter, the river jumps its bank and destroys Stumpy's home. Two miles down river, Kentuck is founded holding the, now dead, child in his arms. When Kentuck is told he is dying as well, he rejoices because he will be with the child.

Mark Twain: *The Adventures of Huckleberry Finn and Tom Sawyer*

- Background
 - Born Samuel L. Clemens. Father died when he was 12 – worked to support himself and his family. Twain never forgot the inspiration of the Mississippi.
 - He worked for newspapers in the West where he picked up the name Samuel Clemens which means "safe water."
 - He married into a higher class and his struggle between the conventional and the disruptive are seen in his works (especially Tom Sawyer).
 - Huckleberry Finn is published in 1885; it broke literary grounds as the first novel written entirely in the vernacular. Twain struggled with the idea of racial equality.
