Stumbling Backasswards Into The Light:

Stumbling Backasswards Into the Light Jay Norry, 2014-01-28 From dark yesterday to bright tomorrow When childhood is over and adulthood tries to take hold it all becomes too much for one overwhelmed young man He sets out to find a place to give up once and for all to lay his body down and let his wasted life drift away instead he stumbles onto a whole new way of looking at the world His new teacher calls him Nobody and he can't deny the truth in the name A touching friendship unfolds as Nobody hears life and love being explained in a whole new way and hope begins to burn in his heart as the poignant lessons etch themselves into his thinking Their time together is a confusing chrysalis for Nobody He wonders whether it is in him to burst forth a beautifully colored butterfly as he is slowly transformed *Demons & Angels* J.K. Norry, 2014-12-02 Dark thoughts feed our demons A week ago Paul didn't even believe in demons Now he sees them everywhere They ride around on heavy human shoulders whispering hateful silence to their hosts In the wake of a tragic accident Paul finds it hard to take the demons seriously He is too caught up in mourning the loss of his best friend Kris Whatever responsibility that comes with seeing demons is of no interest to him Paul just wants his life back Except Kris is haunting Paul The demons are starting to notice him watching them Also he seems to have developed some pretty incredible abilities beyond seeing demons A new life needs to take shape if Paul wishes to survive but the cost may be his old life falling apart *Demons Angels* is the first novel in the Walking Between Worlds universe a supernatural story set in Heaven Hell and San Francisco Recommended reading order Walking Between Worlds Demons Angels Rise of the Walker King Fall of the Walker King Before Walking Between Worlds The Demon Be Damned The Heart of the Dragon release date TBA Rise of the Walker King J.K. Norry, 2015-08-04 The Walking Between Worlds story continues The way of the demon hunter is finally beginning to make sense to Paul as is the art of walking between worlds He is forced to shoulder the heavy burden of leading this mighty army of immortals if they are to continue their vital secret work Just when he needs her most his love has been torn from his grasp Rather than turn to his trusted Guide and best friend in his time of need Paul turns away from him Kris is left to wonder if the fire burning inside the new king will drive him to victory or madness War takes the army to Hell and pits their forces against a sea of displaced demons Lines are crossed lives are lost and the battles take heavy tolls on both sides As light looms at the end of the treacherous tunnel leading to victory the army emerges to a shaking realization the light is dragon fire and the war has only just begun *Rise of the Walker King* is the second novel in the Walking Between Worlds universe a supernatural story set in Heaven Hell and San Francisco Recommended reading order Walking Between Worlds Demons Angels Rise of the Walker King Fall of the Walker King Before Walking Between Worlds The Demon Be Damned The Heart of the Dragon release date TBA Earth Is In Space! (And Other Thoughts That Hurt To Think) Jay Norry, 2018-06-27 We all know Earth is in space and we all somehow live with the knowledge every day We also know a bunch of other things that are simply part of living on this planet out here in space Some of those thoughts can be a little terrifying and it can

sometimes hurt to think about them but many of us love to mull them over just the same Serious issues have a history of dividing people while sharing amusing observations over those same issues can bring us together The topics covered in these pages are definitely serious but the heaviest stuff is what we need to learn to laugh about the most If you are both keenly aware of how messed up this world can be and able to see the value in having a sense of humor this was written just for you This book includes previously posted but no longer available Thoughts That Hurt to Think blog posts and few new surprises

serious things but some of us do This book is for us Not everyone wakes up in the morning wondering who uttered the first word how weather forecasters can be wrong so often and not lose their jobs or how voters don't have time to read what they vote on but some of us do This book is for us too Not everyone likes to think about situations beyond their control especially when those things could invade their lives at any time but some of us do This book is definitely for us You should get this book if you're one of us

The Demon Be Damned J.K. Norry, 2019-11-20 Demons are created by a mind at war with itself The demons on Earth are influencing

humanity's path far too much and devils are finding doorways to the realm that did not exist before Only a demon created in Heaven and forged in the fires of Hell can make a difference when Heaven and Earth begin to bleed into each other Only a demon with the power of an angel and the heart of a devil can find a way to drive the devils back to Hell and keep all those demons in check But why would he want to God's back turned on Roche a long time ago The one most dear to him is by definition his greatest enemy Roche has no place in Heaven no friends in Hell and no fun on Earth The more his soul descends into darkness the more he is convinced that reality itself is fundamentally flawed He must find a way to understand his own existence and reconcile it in a way he can accept Otherwise he will have to end all the worlds The Demon Be Damned is a prequel to the story told in the Walking Between Worlds trilogy The only witness there from the start is the original demon Roche His tale goes back way back and we have to trace it to the very beginning to see just how vital his role has been in the continued existence of humanity Recommended reading order Walking Between Worlds Demons Angels Rise of the Walker King Fall of the Walker King Before Walking Between Worlds The Demon Be Damned The Heart of the Dragon release date TBA
