Sub Rosa America V From Trinity To Trinity:

Sub Rosa America, Book V Elana Freeland, 2014-12-26 Told from the perspective of 2019 when all the Earth is convulsing and the United States of America is collapsing due either to Nature taking back her own or to a HAARP driven error or to a purposeful Tesla sabotage to force a new beginning Sub Rosa America is the occult history of the United States since November 22 1963 a history we all could have read years ago as the Mayan chronicler wrote it if we d been on Route 66 cruising through a quantum Time field en route to where President John F Kennedy was shot down like a dog Book V From Trinity to Trinity the final push through Time to Dallas begins with Conspiracy Theory Opera 3 playing to an audience of dead and dreaming scientists in Oscuro and continues to Trinity Site and Ground Zero where a UFO hovers and observes the pilgrims Once they cross from New Mexico into Texas chaos ensues and the magical mystery tour is tractor beamed into the Lone Pentacle state and Bloody Elm Street where the Killing of the King is still tape looping Only the Mayan Timekeeper can barely hold the balance by which an alternate future might be levered *Separation of Powers in Practice* Thomas Campbell, 2004 Each branch of American government possesses inherent advantages and disadvantages in structure In this book the author relies on a separation of powers analysis that emphasizes the advantage of the legislature to draft precise words to fit intended situations the judiciary s advantage of being able to do justice in an individual case and the executive s homogeneity and flexibility which best suits it to decisions of an ad hoc nature Identifying these structural abilities the author analyzes major public policy issues including gun control flag burning abortion civil rights war powers suing the President legislative veto the exclusionary rule and affirmative action Each issue is examined not from the point of view of determining the right outcome but with the intention of identifying the branch of government most appropriate for making the decision
