OPERATOR'S MANUAL

CCR POWERLITE® SNOWTHROWER

SAFETY INSTRUCTIONS

To assure maximum safety, best performance, and to gain knowledge of the product, it is essential that you or any other operator of the snowthrower read and understand the contents of this manual before the motor is ever started. Pay particular attention to the safety alert symbol which means **CAUTION, WARNING OR DANGER** — "personal safety instruction." Read and understand the instruction because it has to do with safety. Failure to comply with instruction may result in personal injury.

This snowthrower is designed and tested to offer safe and effective service, provided it is operated in strict accordance with the following Safety Instructions. Failure to comply with the following instructions **MAY RESULT IN PERSONAL INJURY**.

WARNING: Engine exhaust contains carbon monoxide which is an odorless, deadly poison. Carbon monoxide is also known to the State of California to cause birth defects. Do not run engine indoors or in an enclosed area.

BEFORE OPERATING

1. Read and understand the contents of this manual carefully before operating the snowthrower. Be thoroughly familiar with all controls and proper use of the equipment. Know how to stop the snowthrower and disengage the controls quickly.
2. Never allow children to operate the snowthrower. Adults should operate the snowthrower only after reading this manual.
3. Keep everyone, especially children and pets, away from the snowthrower and area of operation.
4. Inspect area thoroughly where snowthrower will be used. Remove doormats, sleds, boards, sticks, wire, and any other foreign objects which might be picked up and thrown by the snowthrower.
5. Keep all shields and safety devices in place. If a shield, safety device, or decal is illegible or damaged, repair or replace it before beginning operation. Also, tighten any loose nuts, bolts, knobs or screws.
6. Wear adequate winter clothing and rubber boots that will ensure proper footing on slippery surfaces. Do not wear loose fitting clothing that could possibly get caught in moving parts.
7. Always wear safety glasses or eye shields during operation or while performing an adjustment or repair to protect eyes from foreign objects that may be thrown from the machine.
8. Because fuel is highly flammable, handle it carefully. **DO NOT SMOKE WHILE HANDLING GASOLINE.**
 - A. Use an approved fuel container.
 - B. Fill fuel tank outdoors with extreme care, not indoors.

- C. **NEVER ADD FUEL TO AN ENGINE THAT IS RUNNING OR HOT.**
- D. Replace gas cap securely on fuel container and gas tank, and wipe up any spilled gasoline before starting engine.
9. Allow engine to warm up outdoors before operating.
10. Engines produce carbon monoxide gas, which is an odorless, deadly poison; therefore, do not run engine indoors or in an enclosed area.

WHILE OPERATING

11. Use only the extension cord provided with the CCR POWERLITE® Electric Start Model. Do not plug the extension cord into outlet while standing in water or when hands are wet. Do not use cord if gasoline has been spilled. If extension cord is damaged, replace immediately.
12. Never direct discharge toward or operate snowthrower near bystanders, glass enclosures, automobiles and trucks, window wells, or a drop-off. Never allow anyone in front of snowthrower.
13. Operate the snowthrower only when there is good visibility or light.
14. Always maintain secure footing and balance and keep a firm grip on the handle. Walk; never run. Exercise caution to avoid slipping or falling.
15. Be attentive when using the snowthrower, and stay alert for holes in the terrain and other hidden hazards.
16. **WHEN THE ENGINE IS RUNNING, THE DISCHARGE ROTOR IS TURNING. STAY BEHIND THE HANDLES AND AWAY FROM DISCHARGE OPENING WHILE OPERATING THE SNOWTHROWER.** Keep face, hands, feet, and any other part of your body or clothing away from concealed, moving or rotating parts.
17. Never clear snow off steep slopes or across the face of slopes. Exercise extreme caution when changing direction on slopes.
18. **DO NOT USE SNOWTHROWER ON A ROOF.**
19. Do not overload the snowthrower by clearing snow at too fast a rate.
