Reading

Homer's Iliad Kostas Myrsiades, 2022-11-11 We still read Homer's epic the *Iliad* two and one half millennia since its emergence for the questions it poses and the answers it provides for our age as viable today as they were in Homer's own times. What is worth dying for? What is the meaning of honor and fame? What are the consequences of intense emotion and violence? What does recognition of one's mortality teach? We also turn to Homer's *Iliad* in the twenty-first century for the poet's preoccupation with the essence of human life. His emphasis on human understanding of mortality, his celebration of the human mind, and his focus on human striving after consciousness and identity has led audiences to this epic generation after generation. This study is a book-by-book commentary on the epic's 24 parts, meant to inform students new to the work. Endnotes clarify and elaborate on myths that Homer leaves unfinished, explain terms and phrases, and provide background information. The volume concludes with a general bibliography of work on the *Iliad* in addition to bibliographies accompanying each book's commentary.

Romans: An Introduction and Study Guide Sze-kar Wan, 2020-12-10 Sze-kar Wan examines the social and political ramifications of Paul's last and longest letter. By taking seriously Paul's faithfulness to his ancestral tradition, Wan argues that Paul is engaged in ethnic construction by incorporating non-Jews into Ideal Israel. With its claim of universality and the cosmic Son of God installed as king, Ideal Israel stands in pointed opposition to the Roman Empire. Wan presents the Letter to the Romans as Paul's extended argument to his Gentile audience in defence of Ideal Israel and their place in it, without ignoring such prominent themes as good news, faith, and belief, eschatology, and the collection for the poor. By also including a reading of Romans 13 as resistance against absolute authority at variance with historical interpretations that defended American slavery and German Nazism, Wan gives readers a new perspective on a defiant message that can be marshalled to resist oppressive regimes.
