**The Future of Civic Education** Elizabeth Yeager

Washington, Keith C. Barton, 2024-10-01 Speaking to the need to move beyond traditional formulations this textbook presents radical visions for transforming civic education in the United States Drawing on the experience of educators and scholars including those rooted in feminist queer abolitionist global and race conscious perspectives this work offers new practical ideas for civic education reform Responding to recent political crises many scholars educators and public commentators have called for a rebirth of civic education but these all are grounded in the premise that the goal of civic education should be to teach students about the U S Constitutional system and how to operate within it This book argues that the U S governmental system including the Constitution is infused with racist and anti democratic premises and procedures It asks How can we seek a new path one that is more democratic more equitable and more humane A diverse range of leading civic educators who are willing not just to push the boundaries of civic education but to operate outside its assumptions altogether explore what future possibilities for civic education might look like and how these innovative ideas could be implemented in the classroom Combining theory with practice *The Future of Civic Education* will be important reading for those studying or researching in social studies methods social studies issues citizenship and civic education It will also be beneficial to social studies teachers at elementary and secondary levels as well as policymakers and non governmental organizations NGOs

*No Reluctant Citizens* Jeremiah Clabough, Timothy Lintner, 2018-06-01 American democracy is at a critical crossroads Rancor division and suspicion are the unfortunate byproducts of the contentious 2016 presidential election The election also bred a measure of civic uncertainty where citizens of all ages struggle to find and define their roles within a functioning democracy *No Reluctant Citizens Teaching Civics in K 12 Classrooms* is designed to help social studies teachers reinforce the centrality of civic education through a series of hands on participatory and empowering activities From civic literacy to human rights from service learning to controversial issues *No Reluctant Citizens Teaching Civics in K 12 Classrooms* explores an array of topics that ultimately provides K 12 students the conceptual and practical tools to become civically engaged *Civic Education* Richard G. Niemi, Jane Junn, 2005-05-11 Sound democratic decisions rely on a citizenry with at least a partial mastery of the rules and workings of democratic government American high schools where students learn the basics of citizenship thus ought to play a critical role in the success of democracy Yet studies examining the impact of high school government and civics courses on political knowledge over the past quarter century have generally shown that these courses have little or no effect In this important book Richard G Niemi and Jane Junn take a fresh look at what American high school seniors know about government and politics and how they learn it The authors argue convincingly that secondary school civics courses do indeed enhance students civic knowledge This book is based on the most extensive assessment to date of civic knowledge among American youth the 1988 National Assessment of Education Progress NAEP Civics

Assessment The authors develop and test a theoretical model to explain the cognitive process by which students learn about politics and they conclude by suggesting specific changes in the style and emphasis of civics teaching Civic Education for Diverse Citizens in Global Times Beth C. Rubin, James M. Giarelli, 2013-10-11 This book explores four interrelated themes rethinking civic education in light of the diversity of U S society re examining these notions in an increasingly interconnected global context re considering the ways that civic education is researched and practiced and taking stock of where we are currently through use of an historical understanding of civic education There is a gap between theory and practice in social studies education while social studies researchers call for teachers to nurture skills of analysis decision making and participatory citizenship students in social studies classrooms are often found participating in passive tasks e g quiz and test taking worksheet completion listening to lectures rather than engaging critically with the curriculum Civic Education for Diverse Citizens in Global Times directed at students researchers and practitioners of social studies education seeks to engage this divide by offering a collection of work that puts practice at the center of research and theory Who's who in America ,1948 New Zealand Farmer Weekly ,1930 **The Morality of Democratic Citizenship** Robert Freeman Butts, 1988 In recent years a number of political and educational leaders and groups have urged the nation s public schools to place a greater emphasis on teaching civic values and on educating students to become citizens This book puts forth the civic values and ideas that schools should be teaching The volume is not a handbook or curriculum guide but is designed to broaden the perspective of curriculum specialists textbook authors teachers and educational policymakers In the first three chapters of this four chapter book the study of and learning about history the study and learning about constitutional principles and the study and learning about conceptions of citizenship are examined The final chapter offers a set of 12 ideas and civic values that should suffuse teaching and learning in the schools These 12 values are justice equality authority participation truth patriotism freedom diversity privacy due process property and human rights DB **Becoming Active Citizens** Tom Driscoll, Shawn W. McClusker, 2022-05-24 Reimagine civic education This innovative resource provides practical strategies and technological resources for creating authentic engaging learning experiences that empower students to participate in civic discourse and action It examines the current reality of civic education in the United States and other democracies identifies why change is necessary and guides readers on how to spark interest and build skills for participating in a democratic society K 12 educators and leaders will Learn how to transform civic education to prepare students to become active and engaged citizens Discover how to weave civic instruction across the curriculum to create authentic interdisciplinary projects Explore games and other activities that enhance student engagement and understanding of civics Receive lesson examples of effective civic instruction for various grade levels and subject areas Understand how to create opportunities for teaching democratic values through productive civil discourse Contents Introduction Part I Civic Education in 2022 Chapter 1 Civic Education in 2022 Chapter 2 What Works in Civic Education Part II Modern Civic Education in

**Best Practices in Civic Education** Amy K. Syvertsen, 2008-07 The power of civic education to elicit positive student outcomes has been documented However the field is only now beginning to understand the causal processes that bring about these positive changes in young people The Civic Mission of Schools lays out 6 promising approaches to CE which emphasize the need for instruction that is relevant to young people provides opportunities for practice and moves beyond rote learning praxis These approaches to CE yield positive lasting outcomes in students The goal of this project is to examine the association between activities regularly used in CE courses e g staging a mock election and their impact on key student outcomes This will provide evidence supporting best practices in CE Illus

Civic Education and the Future of American Citizenship Elizabeth Kaufer Busch, Jonathan W. White, 2013 Lack of civic knowledge ignorance about the U S Constitution and general ambivalence about education threaten the fiber of this nation The remedy to this malaise advocated in various ways by a diverse group of contributors is a well rounded liberal education that prepares

Citizenship Diana L. Reische, American Association of School Administrators, 1987 The central question of this book is how can schools that are already overloaded with assignments from society find the time and techniques to produce effective citizens Six chapters examine this problem

Chapter 1 documents the need for civic education and the problems related to providing an effective civic education Chapter 2 explores the many different interpretations of citizenship education and determines that it stems from all educational experiences A discussion of the different content areas and approaches associated with citizenship education is presented in chapter 3 State mandates and the place of citizenship education in the elementary junior high and high school curricula are outlined in chapter 4 Methods of providing hands on experience to students through youth participation programs are outlined in chapter 5 The concluding chapter discusses ways to use the bicentennial celebration to revitalize citizenship education A five page list of references is provided and the book concludes with 21 recommendations for strengthening civic education SM

**Teaching Civics in Unstable Times** Andrew Tripodo, 2021-11-10 American political culture runs through civics classrooms and the degraded dialogue and scorched earth partisanship that has defined modern American politics is an indicator that all is not well in our nation s schools Teaching Civics in Unstable Times Guidelines for Defining We in American Democracy offers a fresh expansive view of what civic education can look like in K 12 classrooms and presents three strategies to help teachers curriculum writers and administrators turn their schools into laboratories for democracy that train young people for the moral and intellectual challenges of democratic citizenship This book defines democracy as a way of life that is characterized by frequent public engagement stubborn open mindedness and rigorous debate Our democratic government depends on our citizens leading a democratic life and civic education s chief priority is to teach young people how to do so Civic curriculum has spent decades obsessing over names and dates that fail to give students a sense of their vaunted place in our governing system This book presents three strategies for teaching civics that invest young people in our shared grand experiment in self government and prepares them to lead our nation towards a politics that is more compassionate inclusive and inspired

**Civics for the World to Come** Nicole Mirra, Antero Garcia, 2023-07-25 Help students use their voices to build an equitable and just society Years of political violence and protests against injustice have revived interest in teaching civics in schools The problem Civic education as it currently exists privileges systems not students It promotes incremental change within a broken democracy rather than responding to the youth led movements that call for the abolition of inequitable social structures What will it take to prepare young people for the just future they are fighting for Civics for the World to Come offers educators a framework for designing the critical civic education that our students deserve Synthesizing perspectives on democratic life from critical race theory ethnic studies Afrofuturism and critical literacy the book presents key practices for cultivating youth civic agency grounded in equity and justice The authors explore five world building civic skills Inquiry Storytelling Imagination Networking and Advocacy and introduce readers to real learning communities where students and educators are transforming themselves and society

**Civic Republicanism and Civic Education** A. Peterson, 2011-04-12 This book critically explores civic republicanism in light of contemporary republican political theory and the influence of republican models of citizenship in recent developments in civic education

across a number of Western nations      *Civic Education in the Elementary Grades* Dana Mitra, Stephanie C. Serriere, 2015 As former elementary school teachers the authors focus on what is possible in schools rather than a romantic vision of what schools could be Based on a 5 year study of an elementary school this book shows how civic engagement can be purposive and critical a way to encourage young people to examine their environment to notice and question injustices and to take action to make a difference in their communities and school Focusing on the intersection of student voice and critical inquiry the book describes how to embed civic engagement into curriculum school decision making processes and whole school activities Chapters provide an overview of what research has demonstrated about civic engagement at the classroom school and community levels including detailed descriptions of activities and lessons for practice Classroom teachers school principals community members and teacher educators can use this resource to foster a deeper richer understanding of what is entailed in civic life Book Features A vivid portrait of a typical public school that wants to do more than teach to the test An examination of the conditions that enable young people to participate in democratic practices including identifying and questioning injustices Concrete examples of student voice and critical inquiry in classroom contexts Practices and activities that encourage children to get along with others exchange perspectives and work across differences Offers a suggestive range of evidence that high quality civic engagement initiatives can enhance students academic social and emotional engagement It reveals the nitty gritty of how experienced teachers can enable children who are immersed in meaningful civic work also to engage more deeply with mathematical problem solving peer collaboration literacy and social studies learning and development of empathy and mutual trust From the Foreword by Meira Levinson Mitra and Serriere show us not only that elementary aged children are capable of civic engagement but how such engagement can be nurtured in the classroom Children can be active civic participants this book demonstrates both the power of this idea and how we might accomplish this essential task Beth C Rubin Rutgers University      Teaching America David Feith, 2011-08-11 This book taps the best American thinkers to answer the essential American question How do we sustain our experiment in government of by and for the people To remain America our country has to give its kids a civic identity an understanding of our constitutional system and some appreciation of the amazing achievement of American self government Yet schools often do no such thing Young Americans know little about the founding fathers the Bill of Rights the structure of government or the civilrights movement Three of every four high school seniors aren t proficient in civics and the problem is aggravated by universities disregard for civic education This undermines healthy citizenship It disenfranchises would be voters especially the poor and minorities it weakens America s common culture and it poisons political discourse That is the subject of this book authored by an extraordinary and politically diverse roster of public officials scholars and educators In these pages they describe our nation s civic education problem assess its causes offer an agenda for reform and explain the high stakes at risk if we fail

*Education for Citizenship* Joseph Cammarano, Grant Reeher, 1997-08-29 This book addresses the challenge of education

for citizenship at a specific concrete level It offers examples of efforts to create among our students a new set of what Tocqueville called mores or culturally defining habits of the heart which will enhance citizenship foster a sense of connectedness to a community stretching beyond the university and ultimately support the practices basic values and institutions necessary for the democratic process
