Playing on the Edge Staci Newmahr,2024-06-06 Representations of consensual sadomasochism range from the dark seedy undergrounds of crime thrillers to the fetishized pornographic images of sitcoms and erotica In this pathbreaking book ethnographer Staci Newmahr delves into the social space of a public pansexual SM community to understand sadomasochism from the inside out Based on four years of in depth and immersive participant observation she juxtaposes her experiences in the field with the life stories of community members providing a richly detailed portrait of SM as a social space in which experiences of violence intersect

with experiences of the erotic She shows that SM is a recreational and deeply gendered risk taking endeavor through which participants negotiate boundaries between chaos and order Playing on the Edge challenges our assumptions about sadomasochism sexuality eroticism and emotional experience exploring what we mean by intimacy and how exactly we achieve it

Integrating Lean Six Sigma and High-Performance Organizations Tom Devane, 2004-01-16 You know that great improvement initiatives abound What you may not know is how to implement them effectively get fast dramatic improvement and sustain those results for the long term It s a common problem But take heart The next wave of performance excellence is here the seamless integration of today s leading improvement methods This integration described thoroughly in this book builds upon the strengths and addresses the shortcomings of each discipline For example While Six Sigma provides a disciplined quantitative approach many efforts fail because they don t address the people side of performance improvement and change management Plus Six Sigma efforts are expensive and take too long to produce results Lean Manufacturing techniques can provide quick results but they lack quantitative tools to reduce variation and as a

result are incapable of addressing numerous high dollar improvement opportunities Though High Performance Organizations HPO create conditions for great motivation improve intra organizational interactions and lower employee turnover many HPO interventions fail to produce solid business results because members lack a disciplined approach and the tools for improvement

Why Is the Penis Shaped Like That? Jesse Bering, 2012-07-03 Why do testicles hang the way they do Is there an adaptive function to the female orgasm What does it feel like to want to kill yourself Does free will really exist And why is the penis shaped like that anyway In *Why Is the Penis Shaped Like That* the research psychologist and award winning columnist Jesse Bering features more than thirty of his most popular essays from Scientific American and Slate as well as two new pieces that take readers on a bold and captivating journey through some of the most taboo issues related to evolution and human behavior Exploring the history of cannibalism the neurology of people who are sexually attracted to animals the evolution of human body fluids the science of homosexuality and serious questions about life and death Bering astutely covers a generous expanse of our kaleidoscope of quirks and origins With his characteristic irreverence and trademark cheekiness Bering leaves no topic unturned or curiosity unexamined and he does it all with an audaciously original voice Whether you re interested in the psychological history behind the many facets of sexual desire or the evolutionary patterns that have dictated our current mystique and phallic physique *Why Is the Penis Shaped Like That* is bound to create lively discussion and debate for years to come
