An Introduction to Firearms James Morgan Ayres, 2014-10-21 Learn everything you need to know to own and shoot firearms responsibly in this newly updated guide. Owning a firearm is a big responsibility. There's more to it than just walking into a gun shop and walking out with a gun. In addition to knowing state laws and regulations, you'll need to have the confidence to choose the right firearm for your needs and then learn to use it safely and effectively. *An Introduction to Firearms* goes beyond the basics, introducing you to the many uses of the gun, such as hunting, sporting competition, and self-defense, and includes resources for additional information on legal aspects of gun ownership, safety considerations, and gun manufacturers. Chapters of interest include coverage on Where to Buy and Where to Shoot, Hunting with Your Gun, Care and Cleaning of Your Gun, Gun Cabinets, Cases and Safes, Kids and Guns, Defensive Shooting Skills, Federal and State Gun Laws. *An Introduction to Firearms* is the best guide available to you to ensure you have the right gun, whether you intend to use it for big game or self-defense. It's your right to own a firearm and your duty to use it responsibly. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Lost City of the Templars Paul Christopher, 2013-10-01 A Templar legend is revealed as one man's obsession takes him on a globe-spanning quest into the jungles of the Amazon in the new novel from New York Times bestselling author Paul Christopher. Retired Army Ranger John Holliday has thwarted the plots of Rex Deus, the twenty-first century incarnation of the Templars all over the world. Now the lost journal of explorer Percy Fawcett leads Holliday into the South American jungles and a Templar mystery. Trailed by an infamous tomb raider and menaced by a tribe of hostile natives, Holliday and his crew uncover a five-hundred-year-old society hidden in the cauldron of the Amazon. Descendants of the Templar Knights, they exist for one reason: to hide and protect the holy artifact taken from the original Temple of Jerusalem by the first Templars, the legendary Ark of the Covenant.

Countdown to Mecca Michael Savage, 2015-05-12 A plane bound for Amman, Jordan, goes down in the Caspian Sea. The crash yields no survivors save the Russian mercenary who hijacked the flight, and a cask containing an agent of unprecedented destructive potential is missing from the wreckage. A carefully plotted terrorist attack has been put into motion, and the resulting chaos might be enough to push America toward another costly war. The one man who might be able to stop the attack is Jack Hatfield, a freelance reporter who has never shied away from controversy. After making a politically incorrect statement about Islamic extremists, he has been discredited as a journalist and left to pick up the pieces of his career. But when his half brother Sammy calls him

saying that his neighbor Ana overheard something she shouldn't have and now both their lives are in danger Jack realizes he's stumbled upon a conspiracy to destroy Mecca Now he and a group of like-minded friends on the fringes of the law must uncover who is behind the plot and stop them or else witness the collapse of the world into a war of mutually assured global destruction Michael Savage's *COUNTDOWN TO MECCA* is a gripping page-turner that takes readers on a journey where even the seemingly innocent aren't always innocent the loyal aren't always loyal and that even those counted on to serve their country cannot always be counted on to protect it With the threat of a third world war looming Jack Hatfield must stop the destruction before somebody can stop him
