Dimensional Analysis for Meds: Simplified Dosage Calculations Anna M. Curren, 2025-03-03 Dosage calculation can be very challenging and intimidating for students. However, renowned author and educator Anna Curren applies her experience, knowledge, and proven method to take the fear factor out of manual math in *Dimensional Analysis Simplified Dosage Calculations* Seventh Edition. She breaks down the subject using dimensional analysis, which reduces all calculations into a single easy-to-solve equation. Furthermore, her conversational writing style brings the students to a safe place in the often intimidating realm of math. The updated Seventh Edition presents only the essential information. The first section includes a chapter with an overview of the metric system, as Curren states 98% of all calculations involve metric measures. The text is structured to feature content in small instructional steps followed by assessments to reinforce what has been learned.
