Simplicity Fridge Manual:

Complicated Simplicity Joy Davis, 2019-05-21 A frank practical and entertaining exploration of the pleasures and complexities of living on small islands Many people dream of living simple lives on small islands but few are aware of some of the unique challenges that accompany this distinctive lifestyle From negotiating surrounding waters to creating a sustainable home and making a viable life away from urban conveniences small island living can be rewarding or difficult or both depending on myriad circumstances Complicated Simplicity Island Life in the Pacific Northwest draws on a variety sources to contextualize peoples enduring fascination with islands worldwide including the author s own experiences growing up on Bath Island off Gabriola and her interviews with over twenty intrepid figures who live on the San Juan Islands the Gulf Islands the Discovery Islands and in Clayoquot Sound Ingenuity tenacity and a passion for living in these special places shine through in the personal stories as does a shared concern for safety sustainability and thoughtful stewardship Engaging inspiring and often funny Complicated Simplicity offers readers honest and useful insights on the joys perils and rewards of island life

Radical Simplicity Jim Merkel, 2003-09-03 Imagine you are first in line at a potluck buffet The spread includes not just food and water but all the materials needed for shelter clothing healthcare and education How do you know how much to take How much is enough to leave for your neighbors behind you not just the six billion people but the wildlife and the as yet unborn In the face of looming ecological disaster many people feel the need to change their own lifestyles as a tangible way of transforming our unsustainable culture Radical Simplicity is the first book that guides the reader to a personal sustainability goal then offers a process to monitor progress to a lifestyle that is equitable amongst all people species and generations It employs three tools to help readers begin their customized journey to simplicity It builds on steps from Your Money or Your Life so readers can design their own personal economics to save money get free of debt and align their work with their values It uses refined tools from Our Ecological Footprint so readers can measure how much nature is needed to supply all they consume and absorb their waste And by advocating time alone in wild nature it opens readers to another reality with humanity as one species among many on a complex and inter related planet Combining lyrical narrative compassionate advocacy and absorbing science Radical Simplicity is a practical personal answer to 21st century challenges that will appeal as much to Cultural Creatives and students as to spiritual seekers policy makers and sustainability professionals
