automatic railway gate control system circuit source code - Jun 19 2023

web high speed auto railway gate controller circuit using arduino and ultrasonic sensors in this tutorial we will learn how to design a simple and efficient automatic high speed railway gate controller system

automatic railway gate control system ijprse - Sep 10 2022

web abstract automatic railway gate controlling system provides an automatic railway gate at the level crossing replacing the gates operated by the gate keeper by detecting train and stuck on the level crossing generating corresponding alert
