Smart Cycle Manual

Ishfaq Ahmad, Jun Ye, Weidong Liu

Smart Cycle Manual:

The Primary ICT & E-learning Co-ordinator's Manual James Wright, 2007-05-23 This book is absolutely wonderful It will be my new Bible I have used it loads already in preparation for my ICT Mark assessment Taking on the role of ICT co ordinator can be quite a daunting task but this step by step guide breaking things down into manageable chunks will be very supportive I love the blogging idea the comments made by the characters are very realistic This is just what new co ordinators need I wish I d had this when I took over co ordination of ICT Christine Beedham Primary ICT adviser Warrington Every primary school has the daunting task of embedding ICT and e learning into their curriculum This practical manual is the first part of a two volume set that together makes up a detailed two year training programme for primary ICT and e learning co ordinators The books combine key strategies and information with a weblog discussion from a group of virtual co ordinators who share their problems fears and successes over the two year programme based on the author s wide experience of working with new co ordinators and experienced staff on training programmes and in general support Book 1 is designed specifically for co ordinators new to the role who need starting points and broad support It presents a structured training programme split over three terms guiding co ordinators through the key stages of developing and implementing ICT policy and practice including o auditing existing school systems o reviewing and revising the school policy for ICT o reviewing the ways in which ICT is used as a teaching and learning tool across the curriculum o examining methods for the management of technical support services o establishing a clear overview of standards in ICT including a review of assessment procedures moderating work monitoring teaching and learning and creating E Portfolios The books have a companion website which will offer downloadable versions of the photocopiable sheets from the book as well as links to other sources of help and advice
