The Smart Trike is a fun 3-in-1 tricycle that is made to grow with your baby. The Smart Trike has three phases to grow with your child from 10 months to 3+ years. The Trike comes in a variety of bright colors and patterns to appeal to your toddler right away.

A Smart Trike to Grow with Your Baby

We have been invited to take part in the "I'm a little smarTriker" challenge by BumpPR, and were sent a 4-in-1 Dream Smart Trike for Lydia to test out and participate in the challenges. We were already fans of Smart Trikes, as Georgie was given one for her 1st birthday back in 2012, and she has always really enjoyed it... and it's not hard to see why. ...

entrepreneurs and product developers who have tried to develop more sustainable products is that efforts to have better products in environmental terms do not always translate into effective business cases The purpose of this book is a better understanding of the implications of environmental issues in new product development Through an empirical study in the human powered vehicle sector Luca Berchicci examines how and to what extent the environmental ambition of product developers and managers influences the way new products and services are developed The understanding of this phenomenon is particularly important since managers are encouraged and or motivated to undertake environmental new

product development projects From the descriptions and analyses of the two cases study Luca Berchicci suggests that a high level of environmental ambition increases the complexity of the product innovation process Moreover a high level of environmental ambition may hamper a product innovation process because it may lead the developers away from the market that their product is to serve Accordingly this book attempts to explain and predict how environmental ambition influences new product development processes This claim provides a theoretical contribution to existing research in both product innovation and green product innovation Moreover this book provides an original and deep insight on the diverse facets of greening
