**A Canadian Rose** Shirley Smith, 2009-02-19 Rose Hilory is thrilled when she receives a promotion at the Data Computer Company. Finally, her hard work has paid off, and she moves to Blue Ridge, Alberta. In addition to an increase in pay and responsibility, the company has provided a house to live in rent-free. This is not an ordinary house. With its computerized components, Rose finds surprises in every corner, and some of them are disconcerting. Also troublesome are her mysterious boss and an employee who is determined to see Rose fail. Even though she's glad for the move, Rose's memory remains vivid, and she yearns for the love she lost more than ten years ago. She can still envision the growling of the cougar when it attacked her horse, Queenie, as she spent the evening with her boyfriend, Donavin. Even more devastating was the reaction of Donavin's parents; they disapproved of their son riding with a simple country girl. His family had packed up without even a goodbye. She never saw him again. Determined, Rose tries to move her

life forward but strange events intervene Her life her job and her welfare could be at stake if her enemies get their way in A Canadian Rose      **The Buyers' Manual and Business Guide** ,1872      **The Buyers' Manual and Business Guide**

*American Silhouettes* Christian Beres Calmejane, 2009-04-21 This is Volume I of two volumes *American Silhouettes* is primarily a study in human character in its dealing with the adversity of life The setting is America during the last quarter of the twentieth century More specifically it focuses on the struggle of two generations of a small African American family whose destiny encounters more than its share of horrific tribulations It is a window on life love happiness suffering and death of the members of this small vulnerable resilient family from the South that moves to Washington D C for a better life only to find a very short interlude of happiness followed by a deep plunge into another cycle of trauma and despair not death though that would be too easy and when death finally does come it is a liberation of the body and soul The saga continues with the cycle of misfortune repeating itself in a new age a new generation with the same finality as if their destiny had been wickedly predefined From Bridgeville SC to Washington DC and from Rome to Dakar their saga brings to light the evil and virtuousness of man in its most natural occurrence as a part of daily life The story brings together various individuals of different and sometimes opposite background and describes either the passions of their encounters or the clashes resulting from their conflicts It analyses the most wonderful passions of love beauty and happiness and juxtaposes the horrible ugliness of hate and abuse It incorporates the duty and responsibility of man within the context of our society and dwells into the aberrations of its marginal sector It is

an interweaved matrix of emotional extremes It demonstrates that evil has no color no race no religion and that it transcends the social fabric of our society      **London's Psycho Cyclist** John Broughton,2023-12-13 Fortunately husband and wife psychopaths are few and far between But after a spate of cyclist killings Vance and Shepherd are called in to investigate an apparently irreprehensible architect and his wife When the architect is elected to a high political position Vance s suspicions arise After an ingenious drone device is used to detonate hidden unexploded World War 2 bombs in the area the duo is certain that the couple have something to do with the crime Damian Devenish the architect is determined to punish society Can Vance and Shepherd prevent him from achieving his ultimate spectacular vendetta
