

World History Final Exam Review

1. **What was the Industrial Revolution? How did it begin? What was the impact?** The Industrial Revolution shifted from an agrarian economy to a manufacturing economy where products were no longer made solely by hand but by machines. This led to increased production and efficiency, lower prices, more goods, improved wages, and migration from rural areas to urban areas.
2. **Describe the technological innovations made during the Industrial Revolution, including the advancements in transportation.** The boom in productivity began with a few technical devices, including the spinning jenny, spinning mule, and power loom. First human, then water, and finally steam power were applied to operate power looms, carding machines, and other specialized equipment.
3. **What were the motives for imperialism? How was it justified?** A range of cultural, religious, and racial ideologies were used to justify imperialism, including Social Darwinism, nationalism, the concept of the civilizing mission, and the desire to religiously convert indigenous populations.
4. **Explain the revolutionary movements in:**
 - America:* The American Revolution was an ideological and political revolution that occurred in British America between 1765 and 1791.
 - France:* The French Revolution was a period of radical political and societal change in France that began with the Estates General of 1789 and ended with the formation of the French Consulate in November 1799.
 - Haiti:* The Haitian Revolution was a successful insurrection by self-liberated slaves against French colonial rule in Saint-Domingue, now the sovereign state of Haiti. The revolt began on 22 August 1791, and ended in 1804 with the former colony's independence.
 - Russia:* The Russian Revolution was a period of political and social revolution that took place in the former Russian Empire which began during the First World War. This period saw Russia abolish its monarchy and adopt a socialist form of government following two successive revolutions and a bloody civil war.
5. **How did the Enlightenment influence these revolutions?** Enlightenment ideals of rationalism and intellectual and religious freedom pervaded the American colonial religious landscape, and these values were instrumental in the American Revolution and the creation of a nation without an established religion.
6. **Describe imperialism in these locations (and all of the countries involved in it):**
 - India:* The British controlled India through the British East India Company, which ruled with an iron hand. In 1857, an Indian revolt, led by native soldiers called
