Announcement Columbia University. Summer Session,1917 **Columbia University Bulletin** Columbia University,1919 Keepers of the American Dream Christine E. Sleeter,2012 This book reports an ethnographic study of thirty teachers from eighteen schools who participated in a staff development programme in multicultural education The study examines how multicultural education was actually presented to teachers and areas in which their classroom teaching and perception of students changed over the two year period Although most of the teachers reported learning a good deal changes in their teaching and their discussions of teaching were fairly limited After reporting the data the book examines why changes were limited analyzing three areas the nature of staff development and how multicultural education was packaged the structure of schools as institutions and the identities and life experiences of teachers as White women often from working class backgrounds Teaching Art Rhian Brynjolson,2010 This resource is written for classroom teachers art education specialists childcare workers artists working in schools parents who home school their children and school administrators It can also be used as a university textbook for Education students The book provides a framework for teaching art in a way that is integrated with regular classroom practice and mindful of current art curriculum outcomes Although the book focuses on art for primary and middle school students from pre school to grade eight Teaching Art is also useful to art specialists at the high school level who are looking for new strategies or project ideas to add to their established secondary programs Revised and expanded from the author s previous resource Art Illustration This resource integrates new developments in art education **Handbook for Achieving Gender Equity Through Education** Susan S. Klein,Barbara Richardson,Dolores A. Grayson,Lynn H. Fox,Cheris Kramarae,Diane S. Pollard,Carol Anne Dwyer,2014-05-22 First published in 1985 the Handbook for Achieving Gender Equity Through Education quickly established itself as the essential reference work concerning gender equity in education This new expanded edition provides a 20 year retrospective of the field one that has the great advantage of documenting U S national data on the gains and losses in the efforts to advance gender equality through policies such as Title IX the landmark federal law prohibiting sex discrimination in education equity programs and research Key features include Expertise Like its predecessor over 200 expert authors and reviewers provide accurate consensus research based information on the nature of gender equity challenges and what is needed to meet them at all levels of education Content Area Focus The analysis of gender equity within specific curriculum areas has been expanded from 6 to 10 chapters including mathematics science and engineering Global Diversity Focus Global gender equity is addressed in a separate chapter as well as in numerous other chapters The expanded section on gender equity strategies for

diverse populations contains seven chapters on African Americans Latina/os Asian and Pacific Island Americans American Indians gifted students students with disabilities and lesbian gay bisexual and transgender students Action Oriented All chapters contain practical recommendations for making education activities and outcomes more gender equitable A final chapter consolidates individual chapter recommendations for educators policymakers and researchers to achieve gender equity in and through education New Material Expanded from 25 to 31 chapters this new edition includes more emphasis on male gender equity and on sexuality issues special within population gender equity challenges race ability and disability etc coeducation and single sex education increased use of rigorous research strategies such as meta analysis showing more sex similarities and fewer sex differences and of evaluations of implementation programs technology and gender equity is now treated in three chapters women's and gender studies communication skills relating to English bilingual and foreign language learning and history and implementation of Title IX and other federal and state policies Since there is so much misleading information about gender equity and education this Handbook will be essential for anyone who wants accurate research based information on controversial gender equity issues journalists policy makers teachers Title IX coordinators equity trainers women's and gender study faculty students and parents
