Frank Wedekind

The Awakening Of Spring:

The Awakening of Spring Frank Wedekind, 1910 The Awakening of Spring Frank Wedekind, 2018-10 During an argument over the length of her skirt Wendla Bergmann confides to her mother that she sometimes thinks about death When she asks her mother if that is sinful her mother avoids the question Wendla jokes that she may one day wear nothing underneath the long dress After school Melchior Gabor and Moritz Stiefel talk about items of little consequence before confiding in each other that recently they have both become tormented by sexual dreams and thoughts Melchior is knowledgeable about the mechanics of sexual reproduction but Moritz is woefully ignorant and proposes several hypothetical techniques such as having brothers and sisters share beds or sleeping on a firm bed that might prevent his future children from being as tense and frightened as he is Melchior an atheist blames religion for Moritz's fears Before departing Melchior insists that Moritz come over to his house for tea where Melchior will show him diagrams and journals with which he will teach Moritz about life Moritz leaves hastily embarrassed **Spring Awakening** Frank Wedekind, 2008 THE STORY First performed under heavy censorship in Germany in 1906 Frank Wedekind's play closed after one night in New York in 1917 amid public outrage and charges of obscenity The play's content was radical indeed teenage sex suicide abortion *Spring Awakening* Frank Wedekind, 2013-01-02 Set in late 19th century Germany it concerns teenagers who are discovering the inner and outer tumult of sexuality The play's performance was threatened with closure when the city's Commissioner of Licenses claimed that the play was pornographic due to its portrayal of abortion homosexuality rape child abuse and suicide but a New York trial court issued an injunction to allow the production to proceed The Awakening of Spring Frank Wedekind, 2015-11-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Awakening of Spring* Frank Wedekind, 2014-08-07 This Is A New Release Of The Original 1912 Edition The Awakening of Spring, a Tragedy of Childhood - Scholar's Choice Edition Frank Wedekind, 2015-02-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original

Applause Books Spring's Awakening is a tragi comedy of teenage sex Its fourteen year old heroine Wendla is killed by abortion pills The young Moritz terrorized by the world around him and especially by his teachers shoots himself The ending seems likely to be the suicide of Moritz's friend Melchior but in a confrontation with a mysterious stranger the famous Masked Man he finally manages to shed his illusions and face the consequences **Spring Awakening** Frank Wedekind,1996-02-15 This version of Frank Wedekind's extraordinary play Spring Awakening was specially commissioned by the Royal Shakespeare Company The themes it addresses and the sheer energy of the writing make this masterpiece of German symbolism startlingly relevant today With its scenes of pubescent angst sexual outspokenness rape and homosexuality the play still more than one hundred years after it was first staged has the power to shock Ted Hughes's rendition lends the dialogue a particularly modern terseness and bite drawing out all the erotic energy of the original

Spring Awakening CentreStage Theatre Archives, Frank Wedekind,1986 *The Awakening of Spring* Frank Wedekind,2016-05-11 That it is a fatal error to bring up children either boys or girls in ignorance of their sexual nature is the thesis of Frank Wedekind's drama *Fruhlings Erwachen* From its title one might suppose it a peaceful little idyl of the youth of the year No idea a could be more mistaken It is a tragedy of frightful import and its action is concerned with the development of natural instincts in the adolescent of both sexes The playwright has attacked his theme with European frankness but of plot in the usual acceptance of the term there is little Instead of the coherent drama of conventional type Wedekind has given us a series of loosely connected scenes illuminative of character scenes which surely have profound significance for all occupied in the training of the young He sets before us a group of school children lads and lassies just past the age of puberty and shows logically that death and degradation may be their lot as the outcome of parental reticence They are not vicious children but little ones such as we meet every day imaginative beings living in a world of youthful ideals and speculating about the mysteries which surround them Wendla sent to her grave by the abortive administered with the connivance of her affectionate but mistaken mother is a most lovable creature while Melchior the father of her unborn child is a high type of boy whose downfall is due to a philosophic temperament which leads him to inquire into the nature of life and to impart his knowledge to others a temperament which under proper guidance would make him a useful intelligent man

It is Melchior's very excellence of character which proves his undoing That he should be imprisoned as a moral degenerate only serves to illustrate the stupidity of his parents and teachers As for the suicide of Moritz the imaginative youth who kills himself because he has failed in his examinations that is another crime for which the dramatist makes false educational methods responsible A grim vein of humor is exhibited now and then as when we are introduced to the conference room in which the members of a gymnasium faculty met to consider the regulation of their pupils' morals sit beneath the portraits of Pestalozzi and J J Rousseau disputing with considerable acrimony about the opening and shutting of a window The exchange of unpleasant personalities is interrupted only by the entrance of the accused student to whose defense the faculty refuses to listen having marked the boy for expulsion prior to the formal farce of his trial [The Awakening of Spring](#) Frank Wedekind, 2013-04-18 That it is a fatal error to bring up children either boys or girls in ignorance of their sexual nature is the thesis of Frank Wedekind's drama *Fr hlings Erwachen* From its title one might suppose it a peaceful little idyl of the youth of the year No idea could be more mistaken It is a tragedy of frightful import and its action is concerned with the development of natural instincts in the adolescent of both sexes **The Awakening of Spring** Frank Wedekind, 1920 **The Awakening of Spring** Anonymous, 2018-02-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an
