The Alchemist's Door Lisa Goldstein, 2003-04-01 Scientist mathematician and court astrologer to Queen Elizabeth I John Dee is also one of the sixteenth century's most renowned alchemists driven by a passion to fathom the elemental secrets of the cosmos But when his reckless assistant Edward Kelley succeeds in using a crystal sphere to summon angels Dee is catapulted into an awesome struggle that may extinguish the light of reason forever One of the spirits invoked is a cunning demon who takes possession of Dee's young daughter Katherine and shows Dee a frightening vision of his own future Terrified by what has been foretold Dee abruptly decides to close his house in London and flee to Europe with his long suffering wife Jane and their two young children Their desperate flight brings them at last to the city of Prague a center of culture knowledge and learning both sacred and profane a gateway between the Eastern and Western worlds and also it is whispered a door between our world and the world of the spirits There in the city's ancient streets Dee encounters the mystic Rabbi Judah Loew who enlists his aid in the creation of a Golem a man fashioned from the clay to defend the city's Jewish Quarter from persecution And he asks Dee's help to avert a impending crisis that threatens to engulf the world For ancient legends say that the fate of the world rests on shoulders of thirty six righteous men And if one of those righteous men dies before his time the world will end and dark spirits will remake it in their own image At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *The Teen-Centered Book Club* Bonnie
