Rethinking Rhetorical Theory, Criticism, and Pedagogy Antonio de Velasco,John Angus Campbell,David Henry,2016-10-01 What distinguishes the study of rhetoric from other pursuits in the liberal arts From what realms of human existence and expression of human history does such study draw its defining character What in the end should be the

purposes of rhetorical inquiry And amid so many competing accounts of discourse power and judgment in the contemporary world how might scholars achieve these purposes through the attitudes and strategies that animate their work Rethinking Rhetorical Theory Criticism and Pedagogy The Living Art of Michael C Leff offers answers to these questions by introducing the central insights of one of the most innovative and prolific rhetoricians of the twentieth century Michael C Leff This volume charts Leff s decades long development as a scholar revealing both the variety of topics and the approach that marked his oeuvre as well as his long standing critique of the disciplinary assumptions of classical Hellenistic renaissance modern and postmodern rhetoric Rethinking Rhetorical Theory Criticism and Pedagogy includes a synoptic introduction to the evolution of Leff s thought from his time as a graduate student in the late 1960s to his death in 2010 as well as specific commentary on twenty four of his most illuminating essays and lectures

New Testament Rhetoric, Second Edition Ben Witherington III, Jason A. Myers, 2022-09-28 Witherington and Myers provide a much needed introduction to the ancient art of persuasion and its use within the various New Testament documents More than just an exploration of the use of the ancient rhetorical tools and devices this guide introduces the reader to all that went into convincing an audience about some subject Witherington and Myers make the case that rhetorical criticism is a more fruitful approach to the NT epistles than the oft employed approaches of literary and discourse criticism Familiarity with the art of rhetoric also helps the reader explore non epistolary genres In addition to the general introduction to rhetorical criticism the book guides readers through the many and varied uses of rhetoric in most NT documents not only telling readers about rhetoric in the NT but showing them the way it was employed This brief guide book is intended to provide the reader with an entrance into understanding the rhetorical analysis of various parts of the NT the value such studies bring for understanding what is being proclaimed and defended in the NT and how Christ is presented in ways that would be considered persuasive in antiquity from the introduction

Collaborative Learning and Writing Kathleen M. Hunzer, 2014-01-10 Although most writing instructors know the benefits of collaborative learning and writing in college writing classes many remain unsure how to implement collaborative techniques successfully in the classroom This collection provides a diversity of voices that address the how tos of collaborative learning and writing by addressing key concerns about the process Fresh essays consider the importance of collaborative work and peer review the best ways to select groups in classes integration of collaborative learning techniques into electronic environments whether group learning and writing are appropriate for all writing classes and ways special populations can benefit from collaborative activities Despite its challenges collaborative learning can prove remarkably effective and this study provides the advice to make it work smoothly and successfully

Reading and Writing for Civic Literacy Donald Lazere, Anne-Marie Womack, 2020-10-07 This rhetoric and reader textbook teaches college students to develop critical reading writing and thinking skills for self defense in the contentious arena of American civic rhetoric This edition is substantially updated for an era of renewed tensions over race gender and economic inequality all compounded by

the escalating decibel level and polarization of public rhetoric Readings include civil rights advocate Michelle Alexander on the new Jim Crow recent reconsiderations of socialism versus capitalism Naomi Wolf's and Christine Hoff Sommers opposing views on the beauty myth a section on the rhetoric of war and debates on identity politics abortion and student debt Designed for first year or more advanced composition and critical thinking courses the book trains students in a wealth of techniques to locate fallacies and other weaknesses in argumentation in their prose and the writings of others Exercises also help students understand the ideological positions and rhetorical patterns that underlie opposing views from Ann Coulter to Bernie Sanders Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media as well as in education itself are foregrounded as topics for rhetorical analysis
