focus is worth more than bombast Now the racing scene in Gunma Prefecture begins to wonder if Tak can spin that same racing magic on a run other than Mount Akina while Tak himself shows the nascent signs of a racing obsession piling on work hours drawing away from Natalie perhaps longing for a car of his own a dream being realized by mousy little Iggy who s in the market for a new car and may decide to buy a Levin to match Tak s Trueno And Cole s car comes back from the shop after being totaled on the mountain It looks like the Akina Speed Stars are shaping up But racing for fun turns into racing for your life when Shingo arrives on the mountain and challenges Tak to a deathmatch **Initial D 4** Shuichi

Shigeno,2020-08-20 Tak may be in over his head against Shingo in a downhill with his hand fastened to the steering wheel especially considering that this kind of race favors an FF like Shingo s Civic against an FR like Tak s Eight Six Tak s life is changing in so many other ways too Bunta waxes emotional about his Zen like training of the increasingly popular Akina downhill specialist expressing for the first time the importance of Tak s racing reputation to his own ego and Natalie advances ever closer to the edge of a romantic relationship with Tak And in a related development how will the racing scene in Gunma change if Ry actually does get an offer to race professionally in Tokyo Initial D 22 Shuichi Shigeno,2020-08-20

Tak is challenged by a new car on the mountain while making deliveries Tak is left speechless when this mysterious car actually beats him Who could have beat him Cole challenges some obnoxious guys from Tokyo to a race Tak takes over for Cole As Tak passes the other car he realizes that he just got beat by the 85 he was dissing up on the mountaintop A mysterious driver shows up in a RX 7 and joins the race Who is this mysterious driver **Initial D 16** Shuichi

Shigeno,2020-08-20 Celica vs Eight Six While the Fujiwara Tofu Trueno emerges victorious over Kai and his MR2 Natalie has only one thing on her mind getting Tak back She knows that Tak feels betrayed so she tries her best to encourage him to warm up to her again When Miki attempts to rekindle things with Natalie Tak steps up to protect her dignity But all s fair in love and racing and of course Miki won t go down without a battle Toyota Celica vs the Toyota Trueno Whoever comes out on top will get the girl Initial D 15 Shuichi Shigeno,2020-08-20

Things are looking good for Tak after being recruited to a new racing team and trouncing the only guy to ever beat him on the road There isn t much time to sit on his laurels though because there s a new racer on the scene His name is Kai Kogashiwa He drives a sweet Toyota MR2 and he s gunning for Tak Turns out that not only was Kai trained to race by his father like Tak but his dad is also Bunta s old archrival Kai s dad lost to Bunta years ago and now it s up to Kai to bring honor back to the family name Before this momentous race Bunta for the first time gives his son some racing advice as he cautions Tak about the dried leaves on the asphalt this time of year Taking his dad s words with him Tak and Kai launch into a fierce road battle between second generation **Popular Science** ,1985-09

Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Initial D 23 Shuichi Shigeno,2020-08-20 Proving that passing Daiki was no fluke Tak wins his race

Now it's up to K T to keep up the momentum as he takes on Toudou's Smiley Sakai. They call the guy Smiley because in the heat of battle his face scrunches up into what might be deceptively described as a grin. Sakai's smile quickly fades though when K T beats him in their race. After this defeat a long absent member of the Toudou team comes back to defend the team's sullied reputation, a member so tough that even Kyoichi calls Ryosuke to warn him. **Car and Driver**, 2005 **Initial D 30**

Shuichi Shigeno, 2020-08-20 Tak did the impossible by using the side gutters to re-pass Shirojima and keep himself in the battle but has he really done more than simply prolong the inevitable. As yet another round gets under way it's painfully clear that Shirojima won't fall for the same trick twice. Meanwhile K T gives a stranded young lady the ride of her life but when he drops her off at a gas station will he be tempted to ask her out or will he keep his resolve to stay away from women until Project D's good and over. Shuichi Shigeno, 2020-08-20 The spirit of the White Comet is as strong as ever but can even the reinvigorated Ry Takahashi take down the Phantom Eight Six that to this point has remained unbeatable? The answer will change the face of Gunma racing forever. And if Tak does end up besting the best of Gunma, he'll have to face the question posed by his best friend Iggy: What's next? Any way you look at it, things are looking up for the Speed Stars, especially for their leader Cole, who may yet fulfill his dream of meeting a woman with whom he can share his racing ambitions, even if she is a member of a rival team.
