Low Mountains or High Tea Steve Sieberson, 2019-09-01 When Steve Sieberson and his wife unexpectedly found themselves in Britain with an entire summer on their hands they readily agreed to avoid the usual tourist attractions opting instead for a road trip to the UK's far flung national parks As they set out however he envisioned bracing days of energetic hillwalking while she assumed they would relax in tearooms and cozy pubs Seldom planning more than a few days in advance the two traversed the country in a rented Vauxhall subjecting themselves to single track lanes diabolical signage and whimsical advice from locals They discovered a town called Mirthless a place where cats' eyes are removed and a vibrating cottage while at mealtimes they dove fearlessly into black pudding Eton mess and barely recognizable enchiladas Meanwhile after their initial attempts at hiking together nearly ended in disaster Sieberson received dispensation to scramble alone to the highest point in each national park as long as he was quick about it and left plenty of time for more sedentary pursuits Low Mountains or High Tea dishes up the charms and eccentricities of rural Great Britain as seen through the eyes of two Americans who never really knew what was coming next **Chains of the Earth** David Mealing, 2023-12-12 The epic story of a young street artist a military general and a warrior fighting for the fate of the universe comes to its thrilling conclusion in the final book of this fantasy trilogy The Divide separating the east from the west the realms of death from the realms of life has fallen Sarine and her champions find themselves overwhelmed assaulted on every side by swordsmen assassins and skinchangers infiltrating killing and twisting even their most loyal allies against them Every victory hides a defeat and yet there is still hope If Sarine can learn the true nature of her powers she can make a final stand against the Regnant to

challenge him and remove his death grip on the world's heart To find the truth she must journey to a new continent and find new allies rallying their strength and wielding every strain of magic in the world in a final battle between life and death Read the final book in this sweeping epic fantasy perfect for readers of Brandon Sanderson Brian McClellan and Miles Cameron
