Luke 17:11-19 NIV

## Bible Lesson & Activities for Children

THE SUNDAY SCHOOL STORE

# Jesus Cleanses Ten Lepers

The story of Jesus healing the ten lepers contains several important insights. For kids, one obvious take-away is the value of gratitude and saying thank you—both to people and especially to God. This story also includes a message of the mercy of Christ. He healed the stricken men, and even though only one returned to say thank you, He did not punish those who neglected to do so. Another interesting note is that the man who did come back was a Samaritan, typically looked down on in Jewish culture. This lesson focuses largely on the element of thanksgiving, but feel free to use whatever methods and emphasis you prefer to communicate the Scripture.

Perhaps this story would better be called the one leper, as our focus is really on the single Samaritan who returned to Jesus in grateful appreciation for healing. God has given us so much in life, and the natural expression of appreciation for His care should be genuine thanks. Being thankful for God's blessings is not by any means a requirement for salvation, but the Lord loves it when we show gratitude for His work in our lives. Recognizing all that He has done and given, how and why would we not give thanks?

*Why We Homeschool* Adam T. Calvert, 2018-07-19 When the topic of homeschooling comes up there often seem to be various assumptions as to why we homeschool our children which are simply wrong or at the most inadequate Yes the government schools have bullies yes the government schools might be bigger targets for armed shootings and yes the government schools even the ones in good school districts have kids or teachers who will teach our children language or experiences that we would rather them not learn that early in life or at all And while all those things are true and good reasons to educate our children at home even if
