Perfect for fans of *Hello Universe* and *Merci Suarez Changes Gears*. Sometimes you find home where you least expect it. And through getting to know the city her mother used to call home, Alba starts to understand her mother better and may just be able to make their family whole again.

Crafting Culturally Efficacious Teacher Preparation and Pedagogies Belinda Bustos Flores, Lorena Claeys, Conra D. Gist, 2018-03-07 *Crafting Culturally Efficacious Pedagogies and Practices* is based on cultural efficaciousness derived from the work of the nationally recognized Academy for Teacher Excellence at The University of Texas at San Antonio. The book is grounded in a research-based model situated within the needs of the school, local community, and based on collaborative partnerships. Given the underrepresentation of ethnic racial minority teachers to accomplish social justice, all teachers must become culturally efficacious. In this book, authors provide an overview of the culturally efficacious evolution model used to anchor teacher preparation and present the culturally efficacious observation protocol as a tool to assess teachers' development. The authors present four exemplar case studies of culturally efficacious teachers who have a strong identity, a positive teaching cultural efficacy, are critical reflective thinkers, and believe that they can make a difference in minority students' lives. As culturally efficacious teachers, these educators are also committed to social justice and equitable education. Cross-case findings reveal that the critical teacher development model serves as a culturally sustainable pedagogy that effectively prepares teachers in the field. **I Hate to Dance (But Learned to Love It!)** Hans Danssen, 2018-09-14 *I Hate to Dance But Learned to Love It* By Hans Danssen *I Hate to Dance But Learned to Love It* is a story about the ballroom dance business told in a way never told before.
