Silvia,2023-05-15 The UAW s Southern Gamble is the first in depth assessment of the United Auto Workers efforts to organize foreign vehicle plants Daimler Chrysler Mercedes Benz Nissan and Volkswagen in the American South since 1989 an era when union membership declined precipitously Stephen J Silvia chronicles transnational union cooperation between the UAW and its counterparts in Brazil France Germany and Japan and documents the development of employer strategies that have proven increasingly effective at thwarting unionization Silvia shows that when organizing unions must now fight on three fronts at the worksite in the corporate boardroom and in the political realm The UAW s Southern Gamble makes clear that the UAW s failed campaigns in the South can teach hard won lessons about challenging the structural and legal roadblocks to union participation and effectively organizing workers within and beyond the auto industry Disastrous Floods and the Demise of Steel in Johnstown Pat Farabaugh ,2021 Johnstown is synonymous with floodwaters and steel When the city was decimated by a flood of biblical proportions in 1889 it was considered one of the worst natural disasters in American history and gained global attention Sadly that deluge was only the first of three major floods to claim lives and wreak havoc in the region The destruction in the wake of the St Patrick s Day flood in 1936 was the impetus for groundbreaking federal and local flood control measures Multiple dam failures including the Laurel Run Dam in July 1977 left a flooded Johnstown with a failing steel industry in ruins Author Pat Farabaugh charts the harrowing history of Johnstown s great floods and the effects on its economic lifeblood *Warlock's Embrace* Alyssa Rose Ivy,2018-04-05
