It Devours! Joseph Fink (Fiction writer),Jeffrey Cranor,2017 Nilanjana Sikdar is an outsider to the town of *Night Vale* Working for Carlos the town s top scientist she relies on fact and logic as her guiding principles But all of that is put into question when Carlos gives her a special assignment investigating a mysterious rumbling in the desert wasteland outside of town This investigation leads her to the Joyous Congregation of the Smiling God and to Darryl one of its most committed members Caught between her beliefs in the ultimate power of science and her growing attraction to Darryl she begins to

suspect the Congregation is planning a ritual that could threaten the lives of everyone in town Nilanjana and Darryl must search for common ground between their very different world views as they are faced with the Congregation's darkest and most terrible secret **Dust jacket Welcome to Night Vale** Joseph Fink, Jeffrey Cranor, 2017-01-19 In this ordinary town Night Vale where ghosts, aliens, and government conspiracies are parts of everyday life the lives of two women with two mysteries are about to converge **Welcome to Night Vale #3** Joseph Fink, Jeffrey Cranor, 2020-03-24 From the New York Times bestselling authors of *Welcome to Night Vale* and *It Devours* and the creators of the hit podcast comes a new novel set in the world of Night Vale and beyond In the town of Night Vale there's a faceless old woman who secretly lives in everyone's home but no one knows how she got there or where she came from until now Told in a series of eerie flashbacks the story of *The Faceless Old Woman* goes back centuries to reveal an initially blissful and then tragic childhood on a Mediterranean Estate in the early nineteenth century her rise in the criminal underworld of Europe a nautical adventure with a mysterious organization of smugglers her plot for revenge on the ones who betrayed her and ultimately her death and its aftermath as her spirit travels the world for decades until settling in modern day Night Vale Interspersed throughout is a present day story in Night Vale as *The Faceless Old Woman* guides, haunts, and sabotages a man named Craig In the end her current day dealings with Craig and her swashbuckling history in nineteenth century Europe will come together in the most unexpected and horrifying way Part *The Haunting of Hill House* part *The Count of Monte Cristo* and 100% about a faceless old woman who secretly lives in your home **Welcome to night vale** Claudine Bollinger, 2015 **Welcome to Night Vale** Joseph Fink, 2016 [Welcome to Night Vale 12C Floor Display](#) Joseph Fink, 2015-10-20 [Welcome to Night Vale Indigo Signed Edition](#) Joseph Fink, Jeffrey Cranor, 2015-10-20 **The Rise of Transmedia Texts** Benjamin W.L. Derhy, Kurtz, Mélanie Bourdaa, 2016-08-25 This volume builds on previous notions of transmedia practices to develop the concept of transtexts in order to account for both the industrial and user generated contributions to the cross media expansion of a story universe On the one hand exists industrial transmedia texts produced by supposedly authoritative authors or entities and directed to active audiences in the aim of fostering engagement On the other hand are fan produced transmedia texts primarily intended for fellow members of the fan communities with the Internet allowing for connections and collaboration between fans Through both case studies and more general analyses of audience participation and reception employing the artistic, marketing, textual, industrial, cultural, social, geographical, technological, historical, financial, and legal perspectives this multidisciplinary collection aims to expand our understanding of both transmedia storytelling and fan produced transmedia texts **Welcome to Night Vale 10 Copy Signed Carton** Joseph Fink, 2015-10-20 **Sound Streams** Andrew J Bottomley, 2020-06-01 In talking about contemporary media we often use a language of newness applying words like revolution and disruption Yet the emergence of new sound media technologies and content from the earliest internet radio broadcasts to the development of algorithmic music services and the origins of podcasting are not a disruption but a

continuation of the century long history of radio Today s most innovative media makers are reintroducing forms of audio storytelling from radio s past Sound Streams is the first book to historicize radio internet convergence from the early 90s through the present demonstrating how so called new media represent an evolutionary shift that is nevertheless historically consistent with earlier modes of broadcasting Various iterations of internet radio from streaming audio to podcasting are all new radio practices rather than each being a separate new medium radio is any sound media that is purposefully crafted to be heard by an audience Rather than a particular set of technologies or textual conventions web based broadcasting combines unique practices and features and ideas from radio history In addition there exists a distinctive conversationality and reflexivity to radio talk including a propensity for personal stories and emotional disclosure that suits networked digital media culture What media convergence has done is extend and intensify radio s logics of connectivity and sharing sonically mediated personal expression intended for public consideration abounds in online media networks Sound Streams marks a significant contribution to digital media and internet studies Its mix of cultural history industry research and genre and formal analysis especially of contemporary audio storytelling will appeal to media scholars radio and podcast practitioners audio journalism students and dedicated podcast fans
