Pentecostal Imagination and the Retrieval of Identity Paul S. Baker, 2023-01-27 How does identity survive the

passage of time How can we be sure that our church community in the present is a faithful representation of the originating community in the past This book explores how Pentecostalism the world s fastest growing expression of Christianity since its inception at the beginning of the twentieth century can identify as the same community that birthed the church in the first century A community that spans two millennia of church history presents numerous challenges which raise crucial questions In the case of Pentecostalism these questions concern the criteria we might employ in order to recognize various instances of that community both in the present and throughout the past The Pentecostal emphasis on the Holy Spirit as the founding force behind the early church suggests some exciting possibilities By bringing together Pentecostal theology and hermeneutical philosophy this volume develops a model which attempts to discern the Pentecostal Spirit from within history Rather than arriving at a historical survey of various theologies of the Spirit this book instead advances a historiography which is itself inherently Spirit oriented a pneumatology of history

Life Really Is Win-Win R.J. J. Hightower, 2020-11-23 Having known Rebecca for close to three years one would not have considered her to be an author being always a quiet person However in the last year or so she has become an outspoken young lady in the ways of what the Almighty has done in her life And as I delved into this writing of hers I often wondered why did it take her so long to come out of her shell As she describes many times the trials

and tribulations she was going through she always knew one thing it was a win win situation She knew if she followed her Heavenly Father and the voice of His Son Jesus her Lord He would cause her to have victory In several sections of the book she reveals deep spiritual things and experiences as she does so she prays for strength and wisdom With her insight into the future and the past she will keep you at the edge of your seat Grab a cup of coffee a comfortable seat and begin to peer into her world of win win s John Davis Elder at Kahilat Kol Simcha I have known Rebecca J Hightower for two years It seems like an eternity Rebecca is a woman of God who is constantly researching questioning and encouraging others to think and search for the answers also She knows no stranger and is constantly helping those in need When asked to read her book Life Really is Win Win I was unsure of what to expect yet I was amazed at the depth of knowledge of scripture I was intrigued by the encouragement for the reader to explore the scriptures for the answers For all who read her book and take her advice they will find a deeper understanding of the Word of God what it means to us for a time such as this Joyce Ferrate RN
