Dear Valued Sponsor,

Thank you for your sponsorship of our house league soccer program this season! Your funding has been instrumental in helping local youth experience the benefits of organized sport.

We had an excellent soccer season both in terms of weather and player development! Many successes were made on the field: from athletes scoring their first goals to making new friends through fair play and sportsmanship.

Please find enclosed the photograph of the team you sponsored this year as a thank you for your support. We would like to invite your business to sponsor house league soccer for the 2016 season. More details will follow later in the year.

Thank you again for choosing to support the Huntsville Soccer Club,

Dear Mom and Dad Patti Davis, 2024-02-06 A remarkably poignant writer for our troubled times Patti Davis writes about love loss and the power of redemption in this poetic letter to her long gone parents Written with dignity and grace in the form of a letter to her parents Ronald and Nancy Reagan Dear Mom and Dad is that surprisingly poignant work that succeeds not only as a memoir but as a moving account that will inspire readers to recall their own childhoods in a totally new light Eager to retell the narrative of her own family and her coming of age Patti Davis casts aside misperceptions that defined her in the past Far from being the enfant terrible Dear Mom and Dad reveals young Patti as a sensitive child who was not able to be the public person her family demanded Just as she re-examines her own role in an increasingly dysfunctional family drama Davis casts an empathetic yet honest eye on her parents on her father the eternal lifeguard who saved seventy seven people yet failed to create a coherent AIDS policy and her mother who never escaped her own tortured youth What comes across are Davis's burnished skills as a writer something she always dreamed of becoming Even as she unravels her mother's highly edited persona and her father's loving but distant personality Davis remains steadfast in her artistic expression as she melds irony comedy and tragedy with dreamlike memories of an ever present past Dear Mom and Dad with its account of her father's Alzheimer's and her mother's end of life struggles becomes an account of forgiveness reaching levels of redemption rarely found in contemporary memoirs

No Slam Dunk Cheryl Cooky, Michael A. Messner, 2018-05-30 In just a few decades sport has undergone a radical gender transformation However Cheryl Cooky and Michael A Messner suggest that the progress toward gender equity in sports is far from complete The continuing barriers to full and equal participation for young people the far lower pay for most elite level women athletes and the continuing dearth of fair and equal media coverage all underline how much still has yet to change before we see gender equality in sports The chapters in *No Slam Dunk* show that is this not simply a story of an unfinished revolution Rather they contend it is simplistic optimism to assume that we are currently nearing the conclusion of a story of linear progress that ends with a certain future of equality and justice This book provides important theoretical and empirical insights into the contemporary world of sports to help explain the unevenness of social change and how despite significant progress gender equality in sports has been *No Slam Dunk*
