Western Short Story Collection:

The Complete Western Stories of Elmore Leonard Elmore Leonard, 2009-10-13 The New York Times bestselling Grand Master of suspense deftly displays the other side of his genius with seven classic western tales of destiny and fatal decision and trust as essential to survival as it is hard earned Trust was rare and precious in the wide open towns that sprung up like weeds on America's frontier with hustlers and hucksters arriving in droves by horse coach wagon and rail and gunmen working both sides of the law all too eager to end a man's life with a well placed bullet In these classic tales that span more than five decades including the first story he ever published *The Trail of the Apache* Elmore Leonard once again demonstrates the superb talent for language and gripping narrative that have made him one of the most acclaimed and influential writers of our time

The Bandit and Other Best Western Stories Loren D Estleman, 2024-10-22 From the pen of Spur Award winning author Loren D Estleman comes a powerful collection of tales set against the vast and rugged landscapes of the American West Beginning with the acclaimed *The Bandit* each of these stories dives into an authentic world where gritty outlaws determined lawmen and everyday heroes wrestle with morality survival and justice Estleman's mastery of historical accuracy and vivid descriptive prose shines through bringing these Western vignettes to life with unforgettable characters and intense action a must read for fans of the Western genre and lovers of timeless storytelling *The American West* endures in the Western stories of Loren D Estleman *The Bloomsbury Review*

Western Viktor Gjokaj, 2019-09-16 16 Western Short Stories for Multiple Authors Short stories are tiny windows into other worlds and other minds and other dreams They are journeys you can make to the far side of the universe and still be back in time for dinner The short story is one of the finest forms of writing As short as a paragraph at times or as lengthy as a novel short stories are widely read and immensely lauded Some of the most exceptional writers have dabbled in this form penning beautiful unforgettable stories This storybook is especially great for traveling bedtime and reading aloud at home Also available in paperback format Great bedtime stories Excellent for beginning and early readers short stories that are great for a quick bedtime story These stories are great for a quick bedtime story and to be read aloud with friends and family Story List Activities

Heart of the West (Collection of 19 Short Stories) O Henry, 2021-02-24 A collection of 19 short stories from the West *Heart of the West* first published in 1907 collects many though not all of O Henry's Western stories and most of the stories in the book though not all are set in Texas Perhaps reflecting William Porter's own experience as a young man in the middle of nowhere on the Texas prairie where women were few and far between many of the stories are comic tales of romantic rivalry usually featuring two bluff and feckless young men in competition for the attention of the same rather remote and demanding young woman This comically romantic longing is often deflected into an outlandish competition the winner of which is supposed to get the girl In the

funniest story in the book *The Handbook of Hymen* which is set in Montana two prospectors Sanderson Pratt and his partner Idaho Green come down out of the mountains and each try to woo a pretty widow by the book literally

Brown,2020-04-02 A remarkably well informed and truly innovative study of the way Boccaccio reimagined and rewrote Old French fabliaux in his Decameron Fran ois Rigolot Princeton University Theoretically savvy and yet jargon free philologically impeccable and critically acute this is a book that shows the author s unflinching dedication to the highest standards of scholarship Simone Marchesi author of Dante and Augustine Brown s attention to codicological contexts coupled with persuasive new interpretations of some of the fabliaux and Decameron stories make this book a pleasure to read for medievalist veterans and novices alike Renate Blumenfeld Kosinski author of Poets Saints and Visionaries of the Great Schism 1378 1417 Short works known for their humor and ribaldry the fabliaux were comic or satirical tales told by wandering minstrels in medieval France Although the fabliaux are widely acknowledged as inspiring Giovanni Boccaccio s masterpiece the Decameron this theory has never been substantiated beyond perceived commonalities in length and theme This new and provocative interpretation examines the formal similarities between the Decameron s tales of wit wisdom and practical jokes and the popular thirteenth century fabliaux Katherine Brown examines these works through a prism of reversal and chiasmus to show that Boccaccio was not only inspired by the content of the fabliaux but also by their fundamental design where a passage of truth could be read as a lie or a tale of life as a tale of death Brown reveals close resemblances in rhetoric literary models and narrative structure to demonstrate how the Old French manuscripts of the

fabliaux were adapted in the organization of the Decameron Identifying specific examples of fabliaux transformed by Boccaccio for his classic Decameron Brown shows how Boccaccio refashioned borrowed literary themes and devices playing with endless possibilities of literary creation through manipulations of his model texts Katherine A Brown is a specialist of medieval French and Italian literature

and the short story While rooted in the South African context the short stories considered also hold a translocal dimension allowing us to explore the ethical and aesthetic practice of intertextuality These are writings that complicate the aesthetics ethics binary generic classifications and the categories of the literary and the political Theoretically eclectic in its approach although largely underpinned by a narratological analysis The South African Short Story in English 1920 2010 When Aesthetics Meets Ethics offers a fresh perspective on the South African short story in English spotlighting several hitherto marginalised figures in South African literary studies Translation in Anthologies and Collections (19th and 20th Centuries) Teresa Seruya, Lieven D[un]hulst, Alexandra Assis Rosa, Maria Lin Moniz, 2013-08-29 Among the numerous discursive carriers through which translations come into being are channeled and gain readership translation anthologies and collections have so far received little attention among translation scholars either they are let aside as almost ungraspable categories astride editing and translating mixing in most variable ways authors genres languages or cultures or are taken as convenient but rather meaningless groupings of single translations This volume takes a new stand makes a plea to consider translation anthologies and collections at face value and offers an extensive discussion about the more salient aspects of translation anthologies and collections their complex discursive properties their manifold roles in canonization processes and in strategies of cultural censorship It brings together translation scholars with different backgrounds both theoretical and historical and covering a wide array of European cultural areas and linguistic traditions Of special interest for translation theoreticians and historians as well as for scholars in literary and cultural studies comparative literature and transfer studies

The Mammoth Book of Westerns Jon E. Lewis, 2013-07-04 The Western though a singularly American art form is one of the great genres of world literature with a truly global readership It is also durable despite being often unfairly maligned Ever since James Fenimore Cooper transformed frontier yarns into a distinct literary form the Western has followed two paths one populist what Time magazine famously billed the American Morality Play capable of taking many points of view from red to redneck but always populist with a sentimental attachment to the misfit the other literary eschewing heroism debunking with unsettling candour many of the myths of the West It can sometimes be difficult to draw a sure line between the two forms but both are represented in this outstanding collection which includes stories by Rick Bass Walter Van Tilburg Clark Larry McMurtry Mari Sandoz Christopher Tilghman and Mark Twain among many others
