What Happened After Acts:

What Happened to Hannah Harry Lee Newton, 1915 **Reading the New Testament as Christian Scripture**
(Reading Christian Scripture) Constantine R. Campbell, Jonathan T. Pennington, 2020-08-04 This survey textbook by two respected New Testament scholars is designed to meet the needs of contemporary evangelical undergraduates. The book effectively covers the New Testament books and major topics in the New Testament assuming no prior academic study of the Bible. The authors pay attention to how the New Testament documents fit together as a canonical whole that supplements the Old Testament to make up the Christian Scriptures. They also show how the New Testament writings provide basic material for Christian doctrine, spirituality, and engagement with culture. Chapters can be assigned in any order, making this an ideal textbook for one-semester courses at evangelical schools. This is the first volume in a new series of survey textbooks that will cover the Old and New Testaments. The book features full-color illustrations that hold interest and aid learning and offers a full array of pedagogical aids: photographs, sidebars, maps, time lines, charts, glossary, and discussion questions. Additional resources for instructors and students are available through Textbook eSources. [An Illustrated Guide to the Apostle Paul](#)
Alan S. Bandy, 2021-08-17 The life and ministry of the apostle Paul was a sprawling adventure covering thousands of miles on Roman roads and treacherous seas as he boldly proclaimed the gospel of Jesus to anyone who would listen, be they commoners or kings. His impact on the church and indeed on Western civilization is immeasurable. From his birth in Tarsus to his rabbinic training in Jerusalem to his final imprisonment in Rome, [An Illustrated Guide to the Apostle Paul](#) brings his remarkable story to life. Drawing from the book of Acts, Paul's many letters, and historical and archaeological sources, this fully illustrated resource explores the social, cultural, political, and religious background of the first-century Roman world in which Paul lived and ministered. It sheds light on the places he visited and the people he met along the way. Most importantly, it helps us understand how and why Paul was used by God in such extraordinary ways. Pastors, students, and anyone engaged in Bible study will find this an indispensable and inspiring resource. [Rose Chronological Guide to the Bible](#)

Myers, 2022-09-28 Witherington and Myers provide a much needed introduction to the ancient art of persuasion and its use within the various New Testament documents More than just an exploration of the use of the ancient rhetorical tools and devices this guide introduces the reader to all that went into convincing an audience about some subject Witherington and Myers make the case that rhetorical criticism is a more fruitful approach to the NT epistles than the oft employed approaches of literary and discourse criticism Familiarity with the art of rhetoric also helps the reader explore non epistolary genres In addition to the general introduction to rhetorical criticism the book guides readers through the many and varied uses of rhetoric in most NT documents not only telling readers about rhetoric in the NT but showing them the way it was employed This brief guide book is intended to provide the reader with an entrance into understanding the rhetorical analysis of various parts of the NT the value such studies bring for understanding what is being proclaimed and defended in the NT and how Christ is presented in ways that would be considered persuasive in antiquity from the introduction Caught by the Collar Eugene Akins, 2018-02-06 Caught by the Collar is an attempt to shed light on the inaccuracies and inefficiencies in the teachings and methodology of teaching in the Pentecostal church In too many instances sincere followers of Christ are lost in a quagmire of unanswered questions and errant doctrine They end up with stunted or stagnant growth and sometimes turn away from Christ altogether In many cases these errors and confused teachings can be directly connected with the ideas that the Bible is confusing or contradictory It is unfortunate that for so many years so many church leaders have either failed to recognize this issue or have intentionally chosen not to address it In fact holding on to and continuing to teach ideology and principles that are out of line with scriptures sounds suspiciously like teaching another gospel which the Bible specifically speaks against As a lifetime member of this denomination Eugene Akins has personally experienced the confusion caused when scripture is misinterpreted the failure that occurs when scripture is not implemented and the heartbreak that is precipitated by clergymen who should be in some other line of work Many of the members of these churches are caught in what they have been told versus what they know and understand They are caught in traditions and hand me down word bites versus the truth of the scriptures and when the clergy is primarily responsible for all this clutter church members are caught
