What Happened At Roswell:

Understanding Roswell Kevin D. Randle, 2022 The first book that dives deeply into the backgrounds of the witnesses examines the evidence with a dispassionate eye and tells the story in a comprehensive fashion While it seems that everyone agrees that something fell to the northwest of Roswell New Mexico in July 1947 it is the interpretation of that fall that was open for debate Looking at the evidence provided by the United States Air Force along with the information uncovered by civilian UFO researchers all the terrestrial explanations have failed

What Really Happened in Roswell? Kathleen Krull, 2003-06-03 Looks into the 1947 crash in New Mexico of an object which many people believe was an alien spacecraft providing reports of what people claim to have seen and the government cover up that followed

UFO Hunters: Hoax or History? William J. Birnes, 2016-02-23 A young girl digs up a thousand year old humanoid skull from a cave in northern Mexico But the skull contains no human DNA An amateur videographer taking footage of lights over Mount Shasta California captures a giant floating triangle on tape It s not a plane It s not a helicopter What is it These questions and more are answered in UFO Hunters Book Two Using eyewitness accounts and information from footage never before seen on television author William Birnes takes readers on the hunt for the real truth about flying saucers what they are and why they re here This is the second companion to the popular HISTORY series and should delight fans in every way

The Chaos Conundrum Aaron John Gulyas, 2014-01-23 In The Chaos Conundrum historian Aaron John Gulyas examines how the paranormal has intersected and influenced our culture in myriad ways from the conspiracy beliefs of William Cooper and Exopolitics to the challenge that the stories of Gray Barker presented to our concept of self and time He looks at the maelstrom of personalities agendas impressions data confusion and contradictions that can be found in the world of the weird and demonstrates how they have become an integral part of our lives whether in the form of flying saucers hauntings religious revelations psychic abilities or dozens of other guises Gulyas delves into the stories of the people who have attempted to create order out of the chaos Along the way he recounts his own journey from enthusiastic believer in the shadow government and their underground bases to jaded academic skeptic and then finally to someone who thinks there might just be something to the paranormal after all but not what we have been led to expect or believe

UFO Crash Sites Dinah Williams, 2015-01-01 Since the beginning of recorded history people have been mystified by UFOs unidentified flying objects Even Christopher Columbus on a 1492 voyage aboard the Santa Maria was puzzled by a sight he described as a light glimmering at a great distance in the sky While no UFOs have ever been captured or recovered there may be startling clues to their existence left behind in places where they are thought to have struck the ground In this book children will visit 11 of the eeriest UFO crash sites found around the world Among them is the scene of a gigantic unexplained explosion that knocked flat 80 million trees a hillside strewn with unearthly artifacts and a spot where an alien pilot is said to be buried The intriguing photographs and fascinating nonfiction text will keep children turning the pages to discover more spellbinding stories

The Aqua Valley

Incident Justin Tully,2008-11-15 The Aqua Valley Incident is the story of a UFO that is seen playing tag with a flight from Munich Germany that is coming into land at London s Heathrow Airport The air traffic controllers are alarmed at what they have witnessed and inform the MOD who send out a team of army investigators to see if they can track the UFO and where it has gone They aren t alone however as three men in a black car follow their every move Meanwhile the UFO itself has crashlanded in a large lake in the small village of Aqua Valley The beings on board the UFO are trying their best to keep the humans away while the humans want to know what s at the bottom of the lake and why people keep disappearing seemingly without trace This exciting science fiction thriller is the fourth novel by Justin Tully **Roswell's Secret** Vannetta

Chapman,2017-12-03 National security comes at a price Dean Dreiser learned that lesson long ago Now domestic terrorists are testing a biological weapon in southern New Mexico and Dean is assigned a new partner Dr Lucinda Brown Lucy is the leading expert in molecular biology but she has no field experience The terrorists are willing to kill thousands in order to trigger the fall of the two party system and usher in a new political dawn Lucy tracks the genetic print of the weapon while Dean hunts the insurgents Separately they don t stand a chance against the terrible secret that dominates the night skies of Roswell New Mexico Together they can do more than survive They can combat and conquer this frightening threat This fast paced romantic thriller combines a twisting plot believable characters and fascinating details about military ops bio agents terrorists and forensics all set against the backdrop of the dusty desert land of the Southwest Be prepared for a read that will keep you up well into the night and an ending that will leave you questioning the true nature of Roswell s Secret Defending America Series Book 1 Coyote s Revenge Book 2 Roswell s Secret What Critics Say About Vannetta Chapman The intense roller coaster of a plot and sharply etched characters will appeal to readers Library Journal A great addition to the world of romantic suspense Suspense Sisters Reviews What readers say about Vannetta Chapman s Roswell s Secret Prepare yourself for another edge of your seat nail biting ride This book is all too real The plot could be in the headline of today s news I found myself wanting to cheat and look at the end of the book it is that full of reality Twists and turns action some wonderful quirky characters Romance and death Book 2 in the Defending America series is amazing This book would also make a good movie Suspense love and loyalty to country make this a great book to read Roswell's Journal Ayesha Sandra Lee,2008-05 Life is

difficult for fifteen year old Rosalind Matthews after her father abandons the family her best friend gets pregnant and she finds herself confused and threatened by boys so when her English teacher instructs the class to keep a personal journal at first Roswell hates the idea until she begins to find comfort and release in her journaling **Top Secret Government**

Archives Nick Redfern,2014-12-15 This compelling volume tackles the topic of the classified files that government agencies choose not to release under the terms of the Freedom of Information Act Many of these documents supposedly cannot be found or are Top Secret files that the agencies admit exist but that they have decided to keep the public from seeing The reason for the missing files is to stop the truth about some of the world s greatest conspiracies from ever becoming known

Guy,2012-05-23 The truth is out there sure that's true But it's also a lot closer to home than you think In this book I focus on the most amazing UFO cases and evidence that I have come across over the past almost forty years Some are older many are recent and involve everyday people celebrities politicians astronauts and former U S presidents Not only will you learn new information much of it exclusive about older and more recent UFO incidents which remain unexplained you'll be taken on a trip through secret U S Government experiments involving invisibility time travel mind control and the summoning of Aliens using E T Technology This book is a treasure trove of true facts for those who really want to know the truth not just the watered down goop fed to us by the media UFO pundits and cable channels *Popular Science* ,1997-10 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better *The Total Novice's Guide To UFOs* T. L. Keller,2015-11-06 You are to be commended on such a great publication and I am humbled that you would even consider adding a few lines from one of my books Paul Hellyer Former Canadian Minister of National Defense this brilliantly produced book not only serves as a superb introduction to the subject but covers some fascinating and important new material for the aficionados Timothy Good Leading Authority on UFOs and Best selling Author I offer my gratitude to you not only for the heavy copy of your book but also the light that the content provides You and your colleagues can be congratulated for your excellent summary of the history and probable significance of the ET presence on Earth Love understand Missing Time and the true nature of human abductions You will learn how alien vehicles travel here and more importantly why they are here Read how you will be impacted when the reality of UFOs and alien beings becomes known to the world And it may be just around the corner [In Plain Sight](#) Ross Coulthart,2021-08-01 An award winning journalist investigates a story largely ignored by mainstream media but right there in front of our eyes Are we not alone The moment we have an answer might have arrived Award winning investigative journalist Ross Coulthart has been intrigued by UFOs since mysterious glowing lights were reported near New Zealand's Kaikoura mountains when he was a teenager The 1978 sighting is just one of thousands since the 1940s and yet research into UFOs is still seen by many as the realm of crackpots and conspiracy theorists In 2020 however after decades of denial the US Department of Defense made the astonishing admission that strange aerial and underwater objects frequently reported and videoed by pilots and tracked by sensors are real unexplained and pose a genuine national security concern Compelled to investigate Coulthart has embarked on the most intriguing story of his career speaking to witnesses researchers scientists spies defence officials and intelligence insiders in an attempt to sift the truth from the conspiracy In the US powerful new laws and a hardening of government resolve may soon force the military and intelligence communities to reveal what they know about alleged UFO crash

retrievals and secret reverse engineering programs Bizarre sometimes mind blowing and utterly fascinating in this new edition of In Plain Sight Coulthart explains why there is cause for optimism that the biggest story ever might finally be about to break

UFOs in Wartime Mack Maloney, 2011-12-06 UFOs do exist They are found in Renaissance art on ancient coins etched on cave walls and even reported in the Bible Even more surprising is where they are documented most in times of armed conflict Accounts of hovering objects when war is imminent reach as far back as 312 A D when seen by Roman Emperor Constantine I as he led his troops to battle They supposedly aided George Washington in winning the American Revolution UFOs were also reported flying over Normandy on D Day and were dubbed foo fighters by World War II pilots In Vietnam an Air Force commander said they were plagued by UFOs Even today the reports continue to pour in as noiseless objects are seen darting over the battlegrounds of the Middle East These sightings as inconceivable as they may seem are made by high ranking officials soldiers and news reporters Why do these reports spike so drastically during wartime Could it be mistaken aircraft Or is someone or something looking in on us Includes incredible photographs of UFOs
