What In Gods Name:

Bearing God's Name Carmen Joy Imes,2019-12-10 What does the Old Testament especially the law have to do with your Christian life In this warm accessible volume Carmen Joy Imes takes readers back to Sinai arguing that we ve misunderstood the command about taking the Lord s name in vain Instead Imes says that this command is really about bearing God s name a theme that continues throughout the rest of Scripture

What in God's Name Simon Rich,2012-12-19 In the book that inspired the series starring Daniel Radcliffe and Steve Buscemi God decides to close up shop on Earth unless two idealistic angels can pull off a miracle getting two socially awkward humans to fall in love Welcome to Heaven Inc the grossly mismanaged corporation in the sky For as long as anyone can remember the founder and CEO known in some circles as God has been phoning it in Lately he s been spending most of his time on the golf course And when he does show up at work it s not to resolve wars or end famines but to Google himself and read what humans have been blogging about him When God decides to retire to pursue his lifelong dream of opening an Asian fusion restaurant he also decides to destroy Earth His employees take the news in stride except for Craig and Eliza two underpaid angels in the lowly Department of Miracles Unlike their boss they love their jobs uncapping city fire hydrants on hot days revealing lost keys in snow banks and they refuse to accept that Earth is going under The angels manage to strike a deal with their boss He ll call off his Armageddon if they can succeed as matchmakers for a hopeless pair of humans With doomsday fast approaching and the humans ignoring every chance for happiness thrown their way Craig and Eliza must move heaven and earth to rescue them and the rest of us too

What in God's Name Simon Rich,2013-06-20 From the Sunsets Department and Geyser Regulation to the Department of Miracles Heaven Inc has the earth covered Unless someone is away from their desk And these days the CEO is kind of disillusioned God knows he should be keeping an eye on the bad things happening on Earth but instead he finds himself watching the Church channels on satellite TV His first priority is the team of angels he s asked to get Lynyrd Skynyrd back together Downstairs on the office floor Eliza has been promoted from the Prayers Department to Miracles and Craig the only other workaholic in heaven has to show her around Eliza is shocked by the casual attitude of many of the angels in her new department And she s furious when she discovers that God has never looked at let alone answered a single prayer So she storms into God s office and asks Him a question that no one has ever dared to ask before And it might just be the end of the world

Not in God's Name Jonathan Sacks,2015-10-13 2015 National Jewish Book Award Winner In this powerful and timely book one of the most admired and authoritative religious leaders of our time tackles the phenomenon of religious extremism and violence committed in the name of God If religion is perceived as being part of the problem Rabbi Sacks argues then it must also form part of the solution When religion becomes a zero sum conceit that is my religion is the only right path to God therefore your religion is by definition wrong and individuals are motivated by what Rabbi Sacks calls altruistic evil violence between peoples of different beliefs appears to be the only natural outcome But through an exploration

of the roots of violence and its relationship to religion and employing groundbreaking biblical analysis and interpretation Rabbi Sacks shows that religiously inspired violence has as its source misreadings of biblical texts at the heart of all three Abrahamic faiths By looking anew at the book of Genesis with its foundational stories of Judaism Christianity and Islam Rabbi Sacks offers a radical rereading of many of the Bible's seminal stories of sibling rivalry Cain and Abel Isaac and Ishmael Jacob and Esau Joseph and his brothers Rachel and Leah Abraham himself writes Rabbi Sacks sought to be a blessing to others regardless of their faith That idea ignored for many of the intervening centuries remains the simplest definition of Abrahamic faith It is not our task to conquer or convert the world or enforce uniformity of belief It is our task to be a blessing to the world The use of religion for political ends is not righteousness but idolatry To invoke God to justify violence against the innocent is not an act of sanctity but of sacrilege Here is an eloquent call for people of goodwill from all faiths and none to stand together confront the religious extremism that threatens to destroy us and declare Not in God's Name

Gospel-worship: or The right manner of sanctifying the name of God in generall ... At the end of the contents ... is printed the titles of all the works of Mr. Jeremiah Burroughs, that are published by Thomas Goodwin [and others]. [The editors'epistle to the reader signed by Thomas Goodwin and others]. Jeremiah BURROUGHS (Puritan Divine.),1648

God Is Not God'S Name Rev. Steve Edington,2018-08-06 I concede to the irony of writing a book with the words beyond words in its subtitle If I were to truly go beyond words the following pages would all be blank I am hardly the first to deal with this conundrum however Jewish scholars tell us that in the aftermath of the Babylonian Exile of the sixth century BCE the Jews ceased to use their name for GodYahwehbecause the divine name had come to be regarded as too sacred and holy to even be spoken They had to come up with other ways to identify that which they regarded as ultimately sacred and holy I can relate

Gospel-worship, Or, The Right Manner of Sanctifying the Name of God in Generall Jeremiah Burroughs,1648 God's Name Is Yahweh TL Blaylock,2016-11-16 Each one of us have a name we like to be called and that name is how we introduce ourselves to others For many of us our name was given careful thought and consideration Often times we are named after a relative or someone who made a significant impact on one or both of our parents God also has a name that He used to introduce Himself to Moses and to the children of Israel That name is Yahweh Yahweh is God's holy name used throughout the Old Testament A lot of people have never heard the name Yahweh and find it to be foreign unfamiliar or even strange How sad that as a people of God we have not been taught God's holy name the name He wants to be known by In writing this book I hope to make Yahweh a name known by respected by and spoken with reverence by God's holy people God has called me to write this book My desire is like that of the Psalmist when he says That they may know that You whose name alone is Yahweh are the Most High over all the earth Psalm 83:18 As believers we should not be ignorant of God's holy name Yahweh and the promises that follow knowing Him Because he has set his love upon Me therefore I will deliver him I will set him on high because he has known My name He shall call upon Me and I will answer him I will be with

him in trouble I will deliver him and honor him With long life I will satisfy him and show him My salvation Psalm 91 14 16 Do you understand the depth of the promises God has made here Have you set your love upon God Do you know God s name God s name is Yahweh Praying with Jesus Adriel Sanchez,2024-04-08 In Praying with Jesus Adriel Sanchez explores the most famous prayer in history the Lord s Prayer and gets to the heart of each thing Jesus told his disciples to pray for Common Places of Christian Religion Wolfgang Musculus,1563 **An Exposition of the Prophet Ezekiel** William Greenhill,1839 **the works of john smyth** d. 1612 Smyth (John),1915 **What Are the Dead Sea Scrolls and Why Do They Matter?** David Noel Freedman,Pam Fox Kuhlken,2007-03-21 Designed to equip students in religion history archaeology and anyone who has an interest in the scrolls this is a fascinating and accessible guidebook full of humor and behind the scenes glimpses into research on the scrolls **The Name of God Y.eH.oW.aH Which is pronounced as it is Written I_Eh_oU_Ah** Gerard Gertoux,2015-06-10 The understanding of God s name YHWH is so controversial that it is eventually the controversy of controversies or the ultimate controversy Indeed why most of competent Hebrew scholars propagate patently false explanations about God s name Why do the Jews refuse to read God s name as it is written and read Adonay my Lord a plural of majesty instead of it Why God s name is usually punctuated e shewa qamats by the Masoretes what makes its reading impossible because the 4 consonants of the name YHWH must have at least 3 vowels long or short to be read like the words aDoN Y and eLoH M God a plural of majesty which have 4 consonants and 3 vowels At last why the obvious reading Yehowah according to theophoric names which all begin by Yeh without exception is so despised and why the simple biblical meaning He will be from Exodus 3 14 is rejected *Rectifying God's Name* James D. Frankel,2011-01-31 Islam first arrived in China more than 1 200 years ago but for more than a millennium it was perceived as a foreign presence The restoration of native Chinese rule by the Ming dynasty 1368 1644 after nearly a century of Mongol domination helped transform Chinese intellectual discourse on ideological social political religious and ethnic identity This led to the creation of a burgeoning network of Sinicized Muslim scholars who wrote about Islam in classical Chinese and developed a body of literature known as the Han Kitab *Rectifying God s Name* examines the life and work of one of the most important of the Qing Chinese Muslim literati Liu Zhi ca 1660 ca 1730 and places his writings in their historical cultural social and religio philosophical context His Tianfang danli Ritual law of Islam represents the most systematic and sophisticated attempt within the Han Kitab corpus to harmonize Islam with Chinese thought The volume begins by situating Liu Zhi in the historical development of the Chinese Muslim intellectual tradition examining his sources and influences as well as his legacy Delving into the contents of Liu Zhi s work it focuses on his use of specific Chinese terms and concepts their origins and meanings in Chinese thought and their correspondence to Islamic principles A close examination of the Tianfang dianli reveals Liu Zhi s specific usage of the concept of Ritual as a common foundation of both Confucian morality and social order and Islamic piety The challenge of expressing such concepts in a context devoid of any clear monotheistic principle tested the limits of his scholarship and

linguistic finesse Liu Zhi's theological discussion in the Tianfang dianli engages not only the ancient Confucian tradition but also Daoism Buddhism and even non Chinese traditions His methodology reveals an erudite and cosmopolitan scholar who synthesized diverse influences from Sufism to Neo Confucianism and possibly even Jesuit and Jewish sources into a body of work that was both steeped in tradition and yet exceedingly original epitomizing the phenomenon of Chinese Muslim simultaneity A compelling and multidimensional study Rectifying God's Name will be eagerly welcomed by interested readers of Chinese and Islamic religious and social history as well as students and scholars of comparative religion
