Africa's Development Impasse Doctor Stefan Andreasson,2013-07-04 Orthodox strategies for socio economic development have failed spectacularly in Southern Africa Neither the developmental state nor neoliberal reform seems able to provide a solution to Africa s problems In *Africa s Development Impasse* Stefan Andreasson analyses this failure and explores the potential for post development alternatives Examining the post independence trajectories of Botswana Zimbabwe and South Africa the book shows three different examples of this failure to overcome a debilitating colonial legacy Andreasson then argues that it is now time to resuscitate post development theory s challenge to conventional development In doing this he claims we face the enormous challenge of translating post development into actual politics for a socially and politically sustainable future and using it as a dialogue about what the aims and aspirations of post colonial societies might become This important fusion of theory with empirical case studies will be essential reading for students of development politics and Africa

Language Standardization and Language Variation in Multilingual Contexts Nicola McLelland,Hui Zhao,2021-11-24 This important contribution to the sociolinguistics of Asian languages breaks new ground in the study of language standards and standardization in two key

ways in its focus on Asia with particular attention paid to China and its neighbours and in the attention paid to multilingual contexts The chapters address various kinds of sometimes hidden multilingualism and examine the interactions between multilingualism and language standardization offering a corrective to earlier work on standardization which has tended to assume a monolingual nation state and monolingual individuals Taken together the chapters in this book thus add to our understanding of the ways in which multilingualism is implicated in language standardization as well as the impact of language standards on multilingualism The introduction Chapter 6 and Chapter 8 are free to download as open access publications under a CC BY NC licence You can access them here Introduction <https://zenodo.org/record/5749388> YaiwuNDP3cs Chapter 6 <https://zenodo.org/record/5749522> Yaiw 9DP3cs Chapter 8 <https://zenodo.org/record/5749586> Yai0RNDP3cs **African History: Western African history** Robert O.
