Each topic is explained and illustrated by several examples that show how it works and how to use it. Complete with samples and annotations, Your Guide to College Writing has you covered on topics that include Organizing paragraphs effectively, Writing appropriate openings and conclusions, Completing sentence fragments, Fixing run-on sentences, Using commas correctly, Identifying reliable sources, Working with sources responsibly, Citing sources accurately in MLA, APA, and Chicago style.

The Student Survival Guide for Research Methods in Psychology Ross A. Seligman, Lindsay A. Mitchell, 2021-09-27 The Student Survival Guide for Research Methods in Psychology is designed to support students enrolled in undergraduate or graduate level research methods courses by providing them with the tools they need to succeed. It goes beyond course material to help students engage more fully with research methods content. This survival guide presents clear step-by-step instructions that will help students hone the basic skills to succeed and thrive in their research methods classes and to navigate common pitfalls. The book covers core practical skills like formatting and writing at an APA standard, understanding research literature, particularly academic journals, using SPSS, and broader skills like how to communicate with your professor, time management, and teamwork skills. It is a highly effective primer text for all psychology students undertaking research methods courses and will also be particularly helpful for students who are currently undertaking these modules and don't feel fully prepared for them.

A Student Guide to Writing an Undergraduate Psychology Honors Thesis Ross Seligman, Lindsay Mitchell, 2022-11-21 A Student Guide to Writing an Undergraduate Psychology Honors Thesis takes students through the entire process of creating a full-scale research project, from selecting a topic, choosing an experimental or correlational design, to writing and presenting their paper. The book offers valuable guidance on developing broader skills like communicating with your supervisor, time management, and critical writing skills. Chapters cover topics such as mentor selection, collecting journal articles, gathering and analysing data, and writing a full APA or BPS experimental paper, and will orientate and guide psychology students as they navigate the expected components of an honors thesis. Designed for any student that is currently working on an independent research project, A Student Guide to Writing an Undergraduate Psychology Honors Thesis is the perfect companion for those working on their senior honours.
