Final e-Portfolio Essay

What Grade Do I Deserve?

I believe that for my e-Portfolio I deserve at most a low-A or **high-B** because I put in some thought into it, though I could have put in more time and effort into it. I waited too long to even get started on my e-Portfolio and I regret it. After all, Ms. Ingram did tell us not to procrastinate till the last couple weeks to do our e-Portfolio. I must get all my major assignments to be finished and polished. I have attended all classes this semester and have completed all assignments except for one or two. All my blog posts are completed and follow all the requirements that were given. I have been active in all the group discussions as well. I feel like my writing that I have turned in (and haven't turned in) this semester has been my best writing yet and I think that is a direct result of the amount of time, effort, and thought that I have put into what I wrote this semester. I have been spending a great deal of time incorporating the **KEY CONCEPTS** of **critical reading**, **stretching out my comfort zone**, and **inquiry & making connections** into all of pieces of writing. I was looking at the e-Portfolio grading scale to know what to write for this essay, and it hit me suddenly that Ms. Ingram is laying out how to get an A, if you only follow the requirements, "That's pretty awesome!"
