in the diverse attempts to represent places and people On the contrary a gulf has opened up between analysis of contemporary London as a global postcolonial city on the one hand and historical accounts of the imperial capital on the other The author shows how the gap can be bridged by combining an analysis of the representation over time by various experts of London and certain localities with an investigation of the ways in which residents have represented their communities through struggles over symbolic and material resources

*Child and Family Assessment in Social Work Practice* Sally Holland,2010-11-15 This thoroughly revised and updated second edition of *Child and Family Assessment in Social Work Practice* is an essential guide for social work students and practitioners involved in the assessment of children and their families Focusing on core assessments and guiding the reader through the complexities of conducting assessments of need and risk the book now includes within each chapter a range of specifically tailored exercises and focus points which encourage readers both to reflect on what they have learnt and to understand how they can apply that learning to practice Placing a strong emphasis on good evidence based assessment practice Sally Holland has also for this new edition included original research evidence from a wide range of up to date research studies which are relevant to today s practice and which aim to promote a critical and reflective approach to the assessment process The book is divided into three parts Part 1 explores different approaches to assessment work outlining policy changes and their implications for working with children and their families Part 2 studies those involved in child and family assessments children and their parents and the relationship between the assessors and the assessed Part 3 a more practical guide outlines the actual process of an assessment illustrated by case studies focusing on planning assessment methods analysis reporting and critical evaluation Accessibly relating theory and research to actual practice through the use of case studies exercises and suggestions for good practice and further reading this book has a student friendly structure It will be an invaluable resource for practitioners and academics across the field of social welfare particularly for those embarking on or already involved in child and family assessment

*What is Religion?* Robert Crawford,2003-09-02 We all know what religion is or do we Confronted with religious pluralism and cultural diversity it manifests itself in many forms What is Religion serves not only as an introduction to the different belief systems flourishing throughout the modern world but asks us to consider how the very boundaries of faith might be drawn now and in the future How might religion interact with political ends or permeate culture society and everyday life Is the post secular world in thrall to religions of its own kind materialism humanism medicine science And what logic separates common sense or academic knowledge from the immutable but unstable boudaries of faith Which is the more certain What does it mean to believe Combining clear accounts of contemporary global religious practice with an incisive philosophical interrogation of the dynamics and aims of belief What is Religion offers a fresh and wide ranging introduction to the perennial human questions of ritual faith ethics and salvation

*What is Religion?* Robert George Crawford,2002 What is Religion serves not only as an introduction to the different belief systems flourishing throughout the modern world

but asks us to consider how the very boundaries of faith might be drawn now and in the future      The Blue Badge Guide's London Quiz Book Mark King, 2016-07-07 Drawing on extensive knowledge and celebrating London's diverse riches this quiz book invites you to come on a wide ranging exploration of the megacity the author calls The Big Onion Peel away its many layers in the company of one of London's top Blue Badge tourist guides These 22 tours will inspire you your family colleagues and friends to leap from page to pavement in the entertaining company of a local expert Have fun This is the first in a series of regional quiz books written exclusively by Blue Badge guides Britain's best guides local professional guides rigorously examined by the Institute of Tourist Guiding the industry's standard setting body World renowned for their knowledge interpretation skills and enthusiasm for their area      The Rotarian , 1926-01 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr have written for the magazine      Animal Sensibility and Inclusive Justice in the Age of Bernard Shaw Rod Preece, 2011-10-25 In the late nineteenth century a number of prominent reformers were influenced by what Edward Carpenter called the larger socialism a philosophy that promised to completely transform society including the place of animals within it To open a window on late Victorian ideas about animals Rod Preece explores what he calls radical idealism and animal sensibility in the work of George Bernard Shaw the acknowledged prophet of modernism and conscience of his age Preece examines Shaw's reformist thought particularly the notion of inclusive justice which aimed to eliminate the suffering of both humans and animals in relation to that of fellow reformers such as Edward Carpenter Annie Besant and Henry Salt and the Humanitarian League This fascinating account of the characters and crusades that shaped Shaw's philosophy sheds new light not only on modernist thought but also on an overlooked aspect of the history of the animal rights movement
