Nepal Pakistan Sikkim and Sri Lanka SDGs in Africa and the Middle East Region Ismaila Rimi Abubakar,Izael da Silva,Rudi Pretorius,Khaled Tarabieh,2024-09-01 Africa is one of the most vulnerable regions and one where the implementation of the SDGs is particularly urgent Underinvestments in natural conservation are increasing the vulnerability of people across many African countries whose well being is endangered by deteriorating socio economic and environmental conditions This volume provides a contribution towards showcasing how natural resources may be more efficiently used and investments may be mobilised to augment the limited public sector funds available to achieve the SDGs This book is part of the 100 papers to accelerate the implementation of the UN Sustainable Development Goals initiative *While the Billy Boils* Paul Eggert,2012-12-03 Fifty two of Henry Lawson s stories and sketches that he had first published in newspapers and magazines from 1888 onwards were gathered in his collection While the Billy Boils Angus Robertson 1896 Lawson was not responsible for their ordering and he had to give ground on their texts especially on his idiosyncratic presentation of wordings that helped to breathe life into his characters and situations The present edition dismantles the fait accompli of 1896 by presenting the individual items in the chronological order of their first publication and with their original newspaper texts This will allow a new appreciation of Lawson s writing one that is attentive to his developing powers The edition also facilitates a close study of Lawson s collaboration with the producers of the collection in 1896 in particular with his copy editor Arthur W Jose and publisher George Robertson Facsimile images available online of the printer s copy that they prepared for While the Billy Boils supplement the edition s listing of the alterations that each of them made revealing the textual history of each story or sketch Sustainable Management of Cordyceps Jiping Sheng,Ksenia

Gerasimova,2025-01-24 This book examines the challenges of sustainably managing and conserving Cordyceps sinensis a

rare species of fungus largely grown in Tibet currently on the brink of extinction As one of the most expensive commodities in the world particularly valued for its medicinal properties in China the price of Cordyceps has risen by over 900% since the 1970s This has made it a very lucrative resource for farmers many of whom are struggling to produce sufficient food to sustain themselves Naturally this has led to overharvesting and coupled with the impacts of climate change the crop itself is now at risk Rarely discussed in Western literature this book provides a novel examination of Cordyceps looking into the necessary changes needed to sustainably manage and conserve this important crop Drawing on extensive field work conducted in Qinghai Tibet the book analyzes the supply chain identifying key issues around production and considering the role and impact of relevant stakeholders It discusses the necessary changes needed for a sustainable supply change particularly to stop long term overharvesting The book then discusses the role of policy and the institutional management of this resource in China as one of the main producers and consumers It analyzes current policy instruments and argues for a more coherent policy which is better orientated towards conservation and sustainable management rather than solely market regulation This book will be of great interest to students and scholars of natural resource management environmental conservation environmental policy and sustainable supply chain management *Promoting Continence* Kathryn

Getliffe, Mary Dolman, 2007-10-18 This title is directed primarily towards health care professionals outside of the United States The 3rd edition of this popular text covers all aspects of continence focusing on continence promotion and measurement of outcomes The core chapters follow a standard structure for ease of use and case studies are used throughout to link theory to practice contains the latest developments in continence treatment incorporates the most recent NHS guidelines on continence management and current legislation includes international perspectives provides a resource for practitioners caring for all client groups in the community and hospital environments a website providing practical documentation along with downloadable charts and examples of continuing professional development activities a new chapter on vulnerable groups including the frail elderly and mental health and neurological problems points for continuing professional development at end of every chapter research evidence to guide practice **Extension Bulletin**, 1993 **The Fur Trade Revisited** Jo-Anne Fisk, 2011-06-01 The Fur Trade Revisited is a collection of twenty eight essays selected from the more than fifty presentations made at the Sixth North American Fur Trade Conference held on Mackinac Island Michigan in the fall of 1991 Essays contained in this important new interpretive work focus on the history archaeology and literature of a fascinating growing area of scholarly investigation Underscoring the work s multifaceted approach is an introductory essay by Lily McAuley titled Memories of a Trapper s Daughter This vivid and compelling account of the fur trade life sets a level of quality for what follows Part one of The Fur Trade Revisited discusses eighteenth century fur trade intersections with European markets The essays in part two examine Native people and the strategies they employed to meet demands placed on them by the market for furs Part three examines the origins motives and careers of those who actually participated in the

fur trade Part four focuses attention on the indigenous fur trade culture and subsequent archaeology in the area around Mackinac Island Michigan while part five contains studies focusing on the fur trade culture in other parts of North America Part six assesses the fur trade after 1870 and part seven contains evaluations of the critical historical and literary interpretations prevalent in fur trade scholarship *Apollo and Vulcan* Guido Guerzoni,2011-06-01 Guido Guerzoni presents the results of fifteen years of research into one of the more hotly debated topics among historians of art and of economics the history of art markets Dedicating equal attention to current thought in the fields of economics economic history and art history Guerzoni offers a broad and far reaching analysis of the Italian scene highlighting the existence of different forms of commercial interchange and diverse kinds of art markets In doing so he ranges beyond painting and sculpture to examine as well the economic drivers behind architecture decorative and sumptuary arts and performing or ephemeral events Organized by thematic areas the ethics and psychology of consumption an analysis of the demand labor markets services prices laws that cover a large chronological period from the 15th through the 17th century various geographical areas and several institution typologies this book offers an exhaustive and up to date study of an increasingly fascinating topic

Anthropology and Radical Humanism Jack Glazier,2020-03-01 Paul Radin famed ethnographer of the Winnebago joined Fisk University in the late 1920s During his three year appointment he and graduate student Andrew Polk Watson collected autobiographies and religious conversion narratives from elderly African Americans Their texts represent the first systematic record of slavery as told by former slaves That innovative subject centered research complemented like minded scholarship by African American historians reacting against the disparaging portrayals of black people by white historians Radin s manuscript focusing on this research was never published Utilizing the Fisk archives the unpublished manuscript and other archival and published sources *Anthropology and Radical Humanism* revisits the Radin Watson collection and allied research at Fisk Radin regarded each narrative as the unimpeachable self representation of a unique thoughtful individual precisely the perspective marking his earlier Winnebago work As a radical humanist within Boasian anthropology Radin was an outspoken critic of racial explanations of human affairs that pervaded not only popular thinking but also historical and sociological scholarship His research among African Americans and Native Americans thus places him in the vanguard of the anti racist scholarship marking American anthropology *Anthropology and Radical Humanism* sets Paul Radin s findings within the broader context of his discipline African American culture and his career defining work among the Winnebago

The Chemical Trade Journal and Chemical Engineer ,1921 Reverse Acronyms, Initialisms, & Abbreviations Dictionary ,2009 **Montana Agresearch** ,1984 **Caffeine** Amy Francis,2016-01-07 Caffeine consumption has become commonplace amongst young adults in recent years with many teens up to 80 percent eagerly reaching for coffee or energy drinks on a regular basis Caffeinated substances are legal widely used by society and often touted as having health benefits yet many teenagers fail to realize that caffeine is also a drug When misused it can lead to dependency or abuse This

informative anthology examines the various degrees of caffeine use outlining a variety of perspectives on topics such as caffeine and cognitive performance caffeine as an addictive substance and the complexities of caffeine regulation The Modern Savage James McWilliams, 2015-01-06 Just Food author James McWilliams's exploration of the compassionate carnivore movement and the paradox of humanity's relationship with animals In the last four decades food reformers have revealed the ecological and ethical problems of eating animals raised in industrial settings turning what was once the boutique concern of radical eco freaks into a mainstream movement Although animal products are often labeled cage free free range and humanely raised can we trust these goods to be safe sound or ethical In The Modern Savage renowned writer historian and animal advocate James McWilliams pushes back against the questionable moral standards of a largely omnivorous world and explores the alternative to the alternative not eating domesticated animals at all In poignant powerful and persuasive prose McWilliams reveals the scope of the cruelty that takes place even on the smallest and supposedly most humane animal farms In a world increasingly aware of animals intelligence and the range of their emotions McWilliams advocates for the only truly moral sustainable choice a diet without meat dairy or other animal products The Modern Savage is a riveting expose of an industry that has typically hidden behind a veil of morality and a compelling account of how to live a more economical environmental and ethical life
