Performing Memory in Art and Popular Culture Liedeke Plate,Anneke Smelik,2013 This volume pursues a new line of research in cultural memory studies by understanding memory as a performative act in art and popular culture The authors take their cue from the observation that art and popular culture enact memory and generate processes of memory They do memory and in this doing of memory new questions about the cultural dimensions of memory arise How do art objects and artistic practices perform the past in the present What is their relationship to the archive Does the past speak in the performed past or do we speak to it To what purpose do objects recall And for whom do they recollect Here authors combine a methodological focus on memory as performance with a theoretical focus on art and popular culture as practices of remembrance The essays in the book thus analyze what is at stake in the complex processes of remembering and forgetting of recollecting and disremembering of amnesia and anamnesis that make up cultural memory

Classical Receptions and Impact of Xena: Warrior Princess Amanda Potter,Anise K. Strong,2025-02-06 Presenting a wide range of new scholarly approaches this is the first volume to critique the highly influential television series Xena Warrior Princess Based on the online international 2021 conference on Xena Warrior Princess this book offers a critical overview of the series ground breaking impact and discusses why it has maintained its appeal Contributors from across the world include perspectives from classical reception studies queer studies and fan studies to examine the influence of ancient Mediterranean mythology and history in the series and in turn how the series shaped the viewer s understanding of the classical past Significantly there are also studies of Xena s depiction as a barrier smashing heroine and an examination of how the series paved the way for portrayals of LGBTQ relationships on mainstream television The legacy of the series is seen in how it has continued to shape modern views about classical antiquity and how it laid the groundwork for subsequent series and films representing the ancient world
