When Mystical Creatures Attack Kathleen Founds:

When Mystical Creatures Attack! Kathleen Founds, 2014-10-01 In *When Mystical Creatures Attack* Ms Freedman's high school English class writes essays in which mystical creatures resolve the greatest sociopolitical problems of our time. Students include Janice Gibbs a feral child with excessive eyeliner and an anti-authoritarian complex that would be interesting were it not so ill-informed and Cody Splunk an aspiring writer working on a time machine. Following a nervous breakdown Ms Freedman corresponds with Janice and Cody from an insane asylum run on the capitalist model of cognitive behavioral therapy where inmates practice water aerobics to rebuild their Psychiatric Credit Scores. The lives of Janice, Cody, and Ms Freedman are revealed through in-class essays, letters, therapeutic journal exercises, an advice column, a reality show, television transcript, a diary, and a Methodist women's fundraising cookbook. Recipes include Dark Night of the Soul Food, Render Unto Caesar Salad, and Valley of the Shadow of Death by Chocolate Cake. In *Virtue of the Month* the ghost of Ms Freedman's mother argues that suicide is not a choice. In *The Un Game* Janice's chain-smoking nursing home charge composes a dirty limerick. In *The Hall of Old Testament Miracles* wax figures of Bible characters come to life hungry for Cody's flesh. Set against a South Texas landscape where cicadas hum and the air smells of taco stands and jasmine flowers, these stories range from laugh-out-loud funny to achingly poignant. This surreal exuberant collection mines the dark recesses of the soul while illuminating the human heart.

November Storm Robert Oldshue, 2016-10-01 In each of the stories in Robert Oldshue's debut collection the characters want to be decent but find that hard to define. In the first story an elderly couple is told that delivery of their Thanksgiving dinner has been canceled due to an impending blizzard. Unwilling

to have guests but nothing to serve them they make a run to the grocery hoping to get there and back before the snow but crash their car into the last of their neighbors In *The Receiving Line* a male prostitute tricks a closeted suburban schoolteacher only to learn that the trick is on him In *The Woman On The Road* a twelve year old girl negotiates the competing demands of her faith and her family as she is bat mitzvahed in the feminist ferment of the 1980s The lessons she learns are the lessons learned by a ten year old boy in *Fergus B Fergus* after which in *Summer Friend* two women and one man renegotiate their sixty year intimacy when sadly but inevitably one of them gets ill *The Home Of The Holy Assumption* offers a benediction A quadriplegic goes missing at a nursing home Was she assumed In the process of finding out all are reminded that caring for others however imperfectly even laughably is the only shot at assumption we have In upstate New York a November storm is one that comes early in the season If it catches people off guard it can change them in the ways Oldshue s characters are changed by different but equally surprising storms

Night in Erg Chebbi and Other Stories Edward Hamlin, 2015-10-01 *Night in Erg Chebbi and Other Stories* spans the globe taking us from Belfast to Brazil Morocco to Manhattan The teenaged daughter of an IRA assassin flees Northern Ireland only to end up in Baby Doc s terrifying Haiti An American woman who s betrayed her brother only to lose him to a Taliban bullet comes face to face with her demons during a vacation in Morocco A famed photojournalist must find a way to bring her life s work to closure before she goes blind a quest that changes her understanding of the very physics of light By turns innocent and canny the characters of *Night in Erg Chebbi and Other Stories* must learn to improvise quickly when confronted with stark choices they never dreamed they d have to make Lyrical immaculately constructed and deeply felt these nine stories take us far beyond our comfort zones and deep into the wilds of the human heart

Stories No One Hopes Are about Them A. J. Bermudez, 2022-11-14 2023 Lammy Award for Bisexual Fiction shortlist At once playfully dark and slyly hopeful *Stories No One Hopes Are about Them* explores convergences of power privilege and place Characters who are *ni de aqu ni de all* neither from here nor there straddle competing worlds disrupt paradigms and transition from objects of other people s stories to active subjects and protagonists of their own Narratives of humanity and environment entwine with nuanced themes of colonization queerness and evolution at the forefront Big things happen in this collection But it s also a collection of small intimacies misremembered names chipped teeth and private rituals unexpected alliances and barely touched knees beneath uniform skirts minutiae of the natural world incidents that quietly achingly and delightfully transgress the familiar

No Use Pretending Thomas A. Dodson, 2023-10-04 Colorado Independent Publishers Association EVVY Award winner Anthologies The characters in these stories have been forced into conditions of life that they find unbearable and the stories chart their often tragically misguided attempts to relieve their suffering via connections with other people or through the pursuit of addictive attachments to opiates in one story to sleep in another This collection encompasses diverse genres from ecologically informed realism to a Kafkaesque fairy tale from fabulist weird fiction to an episode from *The Odyssey* that becomes a

meditation on what distinguishes human beings from animals These stories invite the reader to reconsider moral and ideological certainties to take a fresh look at such issues as fracking and drone warfare In one story a petroleum engineer discovers that one of his wastewater wells may be causing earthquakes and in another the pilot of an Air Force drone seeks to reconcile his conflicting roles as protector and executioner husband and soldier The scientist and the serviceman are both presented with problems that have no easy or obvious solutions situations that force them to confront the messy compromising complexity of being human

The Boundaries of Their Dwelling Blake Sanz, 2021-10-15 Moving between the American South and Mexico these stories explore how immigrant and native characters are shaped by absent family and geography A Chilanga teen wins a trip to Miami to film a reality show about family while pining for the American brother she's never met A Louisiana carpenter tends to his drug addicted son while rebuilding his house after a slew of hurricanes A New Orleans ne'er-do-well opens a Catholic themed bar in the wake of his devout mother's death A village girl from Chiapas baptizes her infant on a trek toward the U S border In the collection's second half we follow a Veracruz-born drifter Manuel and his estranged American son Tommy Over decades they negotiate separate nations and personal tragicomedies on their journeys from innocence to experience As Manuel participates in student protests in Mexico City in 1968 he drops out to pursue his art In the 1970s he immigrates to Louisiana but soon leaves his wife and infant son behind after his art shop fails Meanwhile Tommy grows up in 1980s Louisiana sometimes escaping his mother's watchful eye to play basketball at a park filled with the threat of violence In college he seeks acceptance from teammates by writing their term papers Years later as Manuel nears death and Tommy reaches middle age they reconnect embarking on a mission to jointly interview a former riot policeman about his military days in the process father and son discover what it has meant to carry each other's stories and memories from afar

The Man in the Banana Trees Marguerite Sheffer, 2024-11-05 The stories in *The Man in the Banana Trees* take place in the past present and future from the American Gulf South to the orbit around Jupiter We meet teachers and students ghosts and aliens An ice cream consultant in the year 2036 predicts a devastating flavor trend and a disgruntled New England waiter investigates a mysterious tanker crash Although wildly varied in setting length and genre a thread of the fantastic unites these stories as characters struggle to understand that thing lurking at the edge of their perception something sinister or maybe miraculous

You Never Get It Back Cara Blue Adams, 2021-12-15 The linked stories in Cara Blue Adams's precise and observant collection offer elegantly constructed glimpses of the life of Kate a young woman from rural New England moving between her childhood in the countryside of Vermont and her twenties and thirties in the northeast southwest and South in pursuit of a vocation first as a research scientist and later as a writer Place is a palpable presence Boston in winter Maine in summer Virginia's lush hillsides the open New Mexico sky Along the way we meet Kate's difficult bohemian mother and younger sister her privileged college roommate and the various men Kate dates as she struggles to define what she wants from the world on her own terms Wryly funny and shot through with surprising
