When I Lived In Modern Times:

When I Lived in Modern Times Linda Grant, 2002-12-31 Winner of the Orange Prize for Fiction In the spring of 1946 Evelyn Sert stands on the deck of a ship bound for Palestine For the twenty year old from London it is a time of adventure and change when all things seem possible Swept up in the spirited chaotic churning of her new strange country she joins a kibbutz then moves on to the teeming metropolis of Tel Aviv to find her own home and a group of friends as eccentric and disparate as the city itself She falls in love with a man who is not what he seems when she becomes an unwitting spy for a nation fighting to be born *When I Lived in Modern Times* is an unsentimental coming of age story of both a country and a young immigrant that provides an unforgettable glimpse of a time and place rarely observed Publishers Weekly starred review

Transcultural English Studies Frank Schulze-Engler, Sissy Helff, 2009 What is most strikingly new about the transcultural is its sudden ubiquity Following in the wake of previous concepts in cultural and literary studies such as creolization hybridity and syncretism and signalling a family relationship to terms such as transnationality translocality and transmigration transcultural terminology has unobtrusively but powerfully edged its way into contemporary theoretical and critical discourse The four sections of this volume denote major areas where transcultural questions and problematics have come to the fore theories of culture and literature that have sought to account for the complexity of culture in a world increasingly characterized by globalization transnationalization and interdependence realities of individual and collective life worlds shaped by the ubiquity of phenomena and experiences relating to transnational connections and the blurring of cultural boundaries fictions in literature and other media that explore these realities negotiate the fuzzy edges of ethnic or national cultures and participate in the creation of transnational public spheres as well as transcultural imaginations and memories and finally pedagogy and didactics where earlier models of teaching other cultures are faced with the challenge of coming to terms with cultural complexity both in what is being taught and in the people it is taught to and where target cultures have become elusive The idea of locating culture and literature exclusively in the context of ethnicities or nations is rapidly losing plausibility throughout an English speaking world that has long since been multi rather than monolingual Exploring the prospects and contours of Transcultural English Studies thus reflects a set of common challenges and predicaments that in recent years have increasingly moved centre stage not only in the New Literatures in English but also in British and American studies

"When men are unprepared and look not for it" Brähler, Susan, Munderlein, Kerstin-Anja, Traumatic Memory and the Ethical, Political and Transhistorical Functions of Literature Susana Onega, Constanza del Río, Maite Escudero-Álías, 2017-12-01 This volume addresses the construction and artistic representation of traumatic memories in the contemporary Western world from a variety of inter and trans disciplinary critical approaches and perspectives ranging from the cultural political historical and ideological to the ethical and aesthetic and distinguishing between individual collective and cultural traumas The chapters introduce complementary concepts from diverse thinkers

including Cathy Caruth Jacques Derrida Judith Butler Homi Bhabha Abraham and Torok and Joyce Carol Oates they also draw from fields of study such as Memory Studies Theory of Affects Narrative and Genre Theory and Cultural Studies Traumatic Memory and the Political Economic and Transhistorical Functions of Literature addresses trauma as a culturally embedded phenomenon and deconstructs the idea of trauma as universal transhistorical and abstract **Famous**

Americans of Recent Times James Parton,1867 Modern History: Or, the Present State of All Nations Thomas Salmon,1739 **Renaissance Humanism, from the Middle Ages to Modern Times** John Monfasani,2016-12-05 Starting with an essay on the Renaissance as the concluding phase of the Middle Ages and ending with appreciations of Paul Oskar Kristeller the great twentieth century scholar of the Renaissance this new volume by John Monfasani brings together seventeen articles that focus both on individuals such as Erasmus of Rotterdam Angelo Poliziano Marsilio Ficino and Niccol Perotti and on large scale movements such as the spread of Italian humanism Ciceronianism Biblical criticism and the Plato Aristotle Controversy In addition to entering into the persistent debate on the nature of the Renaissance the articles in the volume also engage what of late have become controversial topics namely the shape and significance of Renaissance humanism and the character of the Platonic Academy in Florence *Modern history* Israel Smith Clare,1906 **Bristol**

Past and Present: Civil and modern history [by Nicholls James Fawcner Nicholls,John Taylor,1882 **Mantras: Lessons From Ramayana for the Modern-Day Manager** K N Raghavan, How are some managers able to accomplish their task with ease and elan while others fall behind Ramayana renowned as one of the two great epics of our land is widely considered a holy book as it depicts the life of Lord Rama However a careful reading of this work also brings out the greatness of Lord Rama as a leader who rose above self actualization and attained self transcendence This epic also tells us the stories of many others such as Bharata Lakshmana Hanuman Vibhishana Jatayu Sampati and various female characters including Sita Mandodari Taara etc Each one of them has a message to convey which is useful in tackling challenges and managing difficult situations in the modern world In addition to conveying important lessons in management Ramayana also carries a message regarding protection and conservation of the environment which is of contemporary relevance The author has skillfully extracted life lessons from the Ramayana that are relevant even today and presented it in an engaging narrative This book is a must read for individuals aspiring for personal happiness professional success and environmental sustainability

Legend Into Language Moira Andrew,1998 Artwork and language activities for five to eleven year olds based on myths and legends from nine different countries Africa Australia China England Greece India North America Scotland and Wales

Modern History Thomas Salmon,1739 The Church and the Modern Era (1846-2005) David M. Wagner,2020-08-21 Fatima war Vatican II St John Paul II and the clerical sex abuse crisis These are just a few of the people and events that helped define the Catholic Church in the modern era In *The Church and the Modern Era 1846 2005* author David Wagner explores how the Church maintained its core beliefs while meeting the challenges of the industrial age world wars the sexual

revolution and technological advancement in an increasingly secular world The modern era of the Catholic Church began with the election of Blessed Pius IX in 1846 and ends with the death of St John Paul II in 2005 the last pope to have served as a council father at Vatican II With monarchies falling nation states rising and industrialization and mass migration underway the world changed more during this period than any other Wagner contends While the Church may feel more user friendly and less formal than ever before what we believe has been handed down from the beginning Wagner reintroduces you to some of the era s most powerful examples of virtue and faith such as St John Henry Newman St Th r se of Lisieux St Josephine Bakhita St Faustina and St Maximillian Kolbe He will also dispel some of the long held misconceptions about the Church that span the 160 year period In this book you will learn The Catholic Church is the world s most powerful advocate for workers the poor and human rights The Church s social teaching does not endorse any economic or political systems The Second Vatican Council did not change Catholic teaching on faith or morals The Church has been an advocate for raising the status of women championing women s rights to education to work and to equal pay Books in the Reclaiming Catholic History series edited by Mike Aquilina and written by leading authors and historians bring Church history to life debunking the myths one era at a time Story Of The World #3 Early Modern Times Activity Book S. Wise Bauer,Susan Wise Bauer,2004-09-28 Presents a history of the ancient world from 6000 B C to 400 A D **Charlie Chaplin's Modern Times** Carl Peters,2021-11-25 This book looks at Charlie Chaplin s masterpiece Modern Times 1936 through the lens of film aesthetics structure and post modern perspective The na ve Tramp character of Modern Times is often seen as the embodiment of a revolutionary reaction to his age However this study of the film shows that it is not only difficult but also impossible to accept the long established critical reception of Chaplin s film and its characters in our own Post modern Times Drawing from extensive research and bringing post modern context to the film through a comparative analysis of Todd Phillips s Joker 2019 the book introduces how exhilarating a comprehensive study of film can be for engaged viewers Illustrating that a detailed filmic reading of Modern Times can be a guide or an extended case study for analysing culture this book will be of interest to students and teachers in film studies literary studies and the visual arts **Japan's Postwar** Michael Lucken,Anne Bayard-Sakai,Emmanuel Lozerand,2013-03-01 Historical surveys of postwar Japan are usually established on the grounds that the era is already over interpreting postwar to be the years directly proceeding World War II However the contributors to this book take a unique approach to the concept of the postwar epoch and treat it as a network of historical time frames from the modern period and connect these time capsules to the war to which they are inextricably linked The books strength is in its very interdisciplinary approach to examining postwar Japan and as such it includes chapters centred on subjects as diverse as politics poetry philosophy economics and art which serve to fill the blanks in the collective cultural memory that historical narratives leave behind Originally published in French this new translation offers the English speaking world important access to a major work on Japan which has been greatly enriched by the translator s

great accuracy and knowledge of English French and Japanese language history and culture Japan s Postwar will appeal to students and scholars of Japanese Studies and Modern Japanese History as well as historians studying the world after 1945

A Compendium of Ancient and Modern History Martin Joseph Kerney,1859 A Concise History of Western Civilization: From Prehistoric to Early Modern Times: Third Edition Gary Forsythe,2020-08-03 A Concise History of Western Civilization From Prehistoric to Early Modern Times Third Edition By Gary Forsythe This volume is designed to serve as the textbook for an undergraduate college course that surveys the history of Western Civilization up to the Early Modern Period It differs from most Western Civilization books in that it places more emphasis on the ancient world and less on the Middle Ages It treats the ancient Near Eastern civilizations with a view to understanding the historical context of ancient Judaism and the Hebrew Bible and it also stresses the political thought and institutions of the ancient Greeks and Romans which have been so important in shaping the political institutions of many modern nations worldwide The text is a straightforward textbook of basic historical information and represents the content of the author s class lectures in his course on Western Civilization *Backpacking California* Wilderness Press,2010-05-10 Backpacking California is a collection of more than 70 of the most intriguing backpacking adventures in Wilderness Press s home territory of California With contributions from more than a dozen Wilderness Press authors the book describes routes ranging from one night to one week Backpacking novices as well as old hand California hikers will find expert crafted trips in the Coast Ranges the Sierra the Cascades and the Warner Mountains Expanded coverage includes trips in Big Sur Anza Borrego Death Valley and the White Mountains Several trips have been described in print nowhere else Each trip includes a trail map and essential logistical information for trip planning

Moderate and Radical Liberalism Nathaniel Wolloch,2022-01-31 This book provides a new reading of one of the most significant chapters in the history of social and political thought the transition from the late Enlightenment to early liberalism In contrast with prevailing interpretations of the emergence of liberalism which emphasize the conservative liberal reaction of the nineteenth century it presents a more optimistic depiction of how formerly radical principles of the Enlightenment were eventually adopted by the mainstream of moderate early liberalism To substantiate this innovative interpretation the book provides a detailed history of late Enlightenment and early liberal social and political thought on both sides of the Atlantic See inside the book
