Kent Baker, Greg Filbeck, 2013-03-25 A comprehensive guide to alternative investments that reveals today's latest research and strategies

Historically low interest rates and bear markets in world stock markets have generated intense interest in alternative investments. With returns in traditional investment vehicles relatively low, many professional investors view alternative investments as a means of meeting their return objectives. Alternative Investments Instruments Performance Benchmarks and Strategies can put you in a better position to achieve this difficult goal. Part of the Robert W. Kolb Series in Finance, *Alternative Investments* provides an in-depth discussion of the historic performance benchmarks and strategies of every major alternative investment market. With contributions from professionals and academics around the world, it offers valuable insights on the latest trends, research, and thinking in each major area. Empirical evidence about each type of alternative investment is featured with research presented in a straightforward manner. Examines a variety of major alternative asset classes from real estate, private equity, and commodities to managed futures, hedge funds, and distressed securities. Provides detailed insights on the latest research and strategies and offers a thorough explanation of historical performance benchmarks and other critical information. Blends knowledge from the conceptual world of scholars with the pragmatic view of practitioners in this field. Alternative investments provide a means of diversification, risk control, and return enhancement and as such are attractive to many professional investors. If you're looking for an effective way to hone your skills in this dynamic area of finance, look no further than this book.

[We're Here to Help](#) Diane Dimond, 2023-09-19. Guardianship, sometimes called conservatorship, is an ever-growing phenomenon. Some of these arrangements are truly beneficial, but countless others are unwanted, unnecessary, and violate constitutionally protected human rights. Award-winning journalist Diane Dimond dissects the mysterious, ever-expanding, and complicit cottage industry of individuals who profit off the confinement of others.
