**Resources in Education**, 2000-10 [How to Use Decodable Books to Teach Reading](#) Pamela Brookes, 2019-09-29 Sixty-five percent of U.S. fourth graders are not proficient readers because their teachers have not been taught how to teach reading using evidence-based methods. Up to 20% of children have dyslexia. Few receive the individualized teaching they need from their schools. To help parents and teachers who want to teach their children using an evidence-based effective method, Pamela Brookes, the mother of a child with dyslexia, discusses their daily routine as she teaches her daughter to read using the decodable DOG ON A LOG Books series. As the author of DOG ON A LOG Books, Pamela also shares how to choose where in the series to start. She shares how she teaches each of the

phonics rules used in the book series along with the reasons for teaching the syllable types and handwriting Although this booklet is meant to guide parents and teachers using DOG ON A LOG Books the information can be adapted and applied to any systematic series of decodable books How to Use Decodable Books to Teach Reading is edited by Dr Nancy Mather a professor in learning disabilities reading and writing to make sure it follows the scientific research on teaching reading This edition includes information on Steps 1 to 10 of the DOG ON A LOG phonics rules Additional steps will be added as the future decodable chapter books are created All DOG ON A LOG Books follow a structured literacy Orton Gillingham based phonics sequence You can download printable gameboards flashcards and other literacy materials at [www.dogonalogbooks.com](http://www.dogonalogbooks.com)

**Teach Your Own** John Holt, Pat Farenga, 2021-09-28 The classic guide to teaching children at home for a new generation of homeschooling parents In 2019 there were more than two million children being homeschooled That number doubled during the pandemic and is now likely to continue increasing as more parents worry that school might not be the best place for their children to learn and grow Teach Your Own helped launch the homeschooling movement now its timeless and revolutionary message of recognizing the ways children come to understand the world has been updated for today's environment Parents and caregivers will discover how to navigate Learning in a classroom versus learning in the world The difference between a learning difficulty which we all experience every time we try to learn anything and a learning disability Schedules that achieve the homeschooling work life balance that you want as a family The relationship between learning and play Homeschooling and technology And much more John Holt's warm understanding of children and his passionate belief in every child's ability to learn have made this book an essential resource for over forty years to homeschooling families
