*Becoming a White Antiracist* Stephen D. Brookfield, Mary E. Hess, 2023-07-03 As this book was being written the United States exploded in outrage against the murder by police of people of color across the country Corporations branches of state and local government and educational institutions all pledged to work for racial justice and the Black Lives Matters movement moved into the mainstream as people from multiple racial and class identities pledged their support to its message Diversity initiatives abounded mission statements everywhere were changed to incorporate references to racial justice and the rampant anti blackness endemic to US culture was brought strikingly to the surface Everywhere it seemed white people were looking to learn about race What do we do How can we help These were the cries the authors heard most frequently from those whites whose consciousness of racism was being raised This book is their answer to those cries It s grounded in the idea that white people need to start with themselves with understanding that they have a white racial identity Once you ve learned about what it means to be white in a white supremacist world the answer of what can I do becomes clear Sometimes you work in multiracial alliances but more often you work with white colleagues and friends In this book the authors explore what it means for whites to move from becoming aware of the extent of their unwitting collusion in racism towards developing a committed antiracist white identity They create a road map or series of paths that people can consider traveling as they work to develop a positive white identity centered around enacting antiracism The book will be useful to anyone trying to create conversations around race teach about white supremacy arrange staff and development workshops on racism and help colleagues explore how to create an antiracist culture or environment This work happens in schools colleges and universities and we suspect many readers will be located in K 12 and higher education But helping people develop an antiracist identity is a project that occurs in corporations congregations community groups health care state and local government arts organizations and the military as well Essentially if you have an interest in helping the whites you interact with become antiracist then this book is written very specifically for you Watch our BWAR YouTube playlist where authors Stephen Brookfield and Mary Hess chat about some common themes from the book

Fletcher,2013-11-13 Preaching to Convert offers an intriguing new perspective on the outreach strategies of U S evangelicals framing them as examples of activist performance broadly defined as acts performed before an audience in the hopes of changing hearts and minds Most writing about activist performance has focused on left progressive causes events and actors Preaching to Convert argues against such a constricted view of activism and for a more nuanced understanding of U S evangelicalism as a movement defined by its desire to win converts and spread the gospel The book positions evangelicals as a diverse complicated group confronting the loss of conservative Christianity s default status in 21st century U S culture In the face of an increasingly secular age evangelicals have been reassessing models of outreach In acts like handing out Bible tracts to strangers on the street or going door to door with a Bible in hand in elaborately staged horror themed morality plays or multimillion dollar creationist discovery centers in megachurch services beamed to dozens of satellite campuses and in controversial ex gay ministries striving to return gays and lesbians to the straight and narrow evangelicals are redefining what it means to be deeply committed in a pluralist world The book s engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields **American Book Publishing Record**

Nason-Clark,Barbara Fisher-Townsend,Victoria Fahlberg,2013-06-04 Strengthening families of different varieties and ending abuse in the myriad of forms through which it surfaces is God s way of bringing peace and safety to Christian homes across the world We challenge congregations their leaders and the men women and youth who faithfully support them to consider their personal role in bringing this vision inspired by the Scriptures into reality Together our voices can be strong We are united in our belief that every home should be a safe home every home a shelter from the storms of life every home a place where we are supported treated with respect and dignity and every home a place where men and women are encouraged to be all they can be It is a tall order It is a dream to guide our personal conduct and to measure our congregational and community life We are far from reaching this goal but toward it we strive [Vacation Bible School Leader's Guide](#) Cheryl
