Institute of Education, 1966 *The Ohio Teacher* Genry Graham Williams, 1928 **Teaching Poetry, Embracing Perspectives** Sharon Discorfono, 2017-09-01 This book serves as a practical guide for teachers of middle school students as well as higher grade levels that provides clear and fully developed lesson plans and activities that use the teaching of poetry reading and writing as a vehicle for developing students own creativity and appreciation for diversity The combination of theory and practice sets this book apart from other books in addition to an original four step method of making sense of poems The book is divided into two parts the first focuses on the critical reading of poems the second focuses on the writing of poems using different forms Both work towards the bigger picture of developing students ability to engage in respectful discourse and to view multiple perspectives as enriching rather than competing **Teaching with Heart** Sam M. Intrator, Megan Scribner, 2014-05-19 Each and every day teachers show up in their classrooms with a relentless sense of optimism Despite the complicated challenges of schools they come to and remain in the profession inspired by a conviction that through education they can move individuals and society to a more promising future In *Teaching with Heart Poetry that Speaks to the Courage to Teach* a diverse group of ninety teachers describe the complex of emotions and experiences of the teaching life joy outrage heartbreak hope commitment and dedication Each heartfelt commentary is paired with a cherished poem selected by the teacher The contributors represent a broad array of educators K 12 teachers principals superintendents college professors as well as many non traditional teachers They range from first year teachers to mid career veterans to those who have retired after decades in the classroom They come from inner city suburban charter and private schools The teachers identified an eclectic collection of poems and poets from Emily Dickinson to Richard Wright to Mary Oliver to the rapper Tupac Shakur It is a book by teachers and for all who teach The book also includes a poignant Foreword by Parker J Palmer The *Courage to Teach* a stirring Introduction by Taylor Mali *What Teachers Make* and a moving Afterword by Sarah Brown Wessling *Teaching Channel Where Teaching with Fire* honored and celebrated the work of teachers *Teaching with Heart* salutes the tenacious and relentless optimism of teachers and their belief that despite the many challenges and obstacles of the teaching life much is possible *Literacy Enrichment and Technology Integration in Pre-Service Teacher Education* Keengwe, Jared, Onchwari, Grace, Hucks, Darrell, 2013-12-31 With the emergence of innovative technologies the digital nature of learning environments has changed the face of education The integration of these technologies into classroom instruction is essential for promoting student learning *Literacy Enrichment and Technology Integration in Pre Service Teacher Education* examines the various strategies to resolve the challenges of technology integrations for teachers while offering best practices for transforming education

Focusing on the future of technology integration in education this book is an essential tool for administrators technology leaders faculty teachers technology staff and other educational technology stakeholders in various education related disciplines

In the Best Interest of Students Kelly Gallagher,2023-10-10 In his new book In the Best Interest of Students Staying True to What Works in the ELA Classroom teacher and author Kelly Gallagher notes that there are real strengths in the Common Core standards and there are significant weaknesses as well He takes the long view reminding us that standards come and go but good teaching remains grounded in proven practices that sharpen students literacy skills Instead of blindly adhering to the latest standards movement Gallagher suggests Increasing the amount of reading and writing students are doing while giving students more choice around those activitiesBalancing rigorous high quality literature and non fiction works with student selected titlesEncouraging readers to deepen their comprehension by moving beyond the four corners of the text Planning lessons that move beyond Common Core expectations to help young writers achieve more authenticity through the blending of genresUsing modeling to enrich students writing skills in the prewriting drafting and revision stagesResisting the de emphasis of narrative and imaginative reading and writingAmid the frenzy of trying to teach to a new set of standards Kelly Gallagher is a strong voice of reason reminding us that instruction should be anchored around one guiding question What is in the best interest of our students

The Bloomsbury Handbook of Reading Perspectives and Practices Bethan Marshall,Jackie Manuel,Donna L. Pasternak,Jennifer Rowsell,2020-10-15 Shortlisted for the UK Literacy Association s Academic Book Award 2021 The Bloomsbury Handbook of Reading Perspectives and Practices focuses on the experiences of reading from a young age to maturity and the different ways reading is encountered in other words the processes involved as well as the outcomes The international group of experts within both teaching and academia focuses on reading in school how is it taught What is taught How is it assessed Controversial issues are explored the acquisition of phonics teaching the canon including or ignoring digital texts the advent of standards based tests The contributions also consider people s biographies of reading their memories of reading in school and their current views on literature Together this well edited volume provides a more complete view of reading than is currently on offer exploring all aspects of what it means to be literate and how we define being literate
