Mentoring Beginning Teachers Jean Boreen,2009 The first edition of Mentoring Beginning Teachers was named an Outstanding

Academic Title by the American Library Association's Choice magazine in 2000. The expanded second edition packed with insights, anecdotes, and updated research provides mentors with a road map for helping new teachers become confident, reflective educators. The collaborative model outlined in the book is enlightening and rewarding for the mentor and the novice alike. The authors have incorporated the latest findings on all aspects of mentoring, from preparing to be a mentoring guide or coach to school culture and parent outreach. Teachers will find five new chapters on working with ELL students, working with parents, curriculum mapping, school culture, and the role of administrators within an effective mentoring system. Organized around a series of questions, the book allows mentors to quickly locate practical advice to match any mentoring situation. The range of resources includes recommendations for pairing mentors and teachers, questions to jump start conversations, ideas for teacher reflection, and answers to the most commonly asked mentor questions. *Mentoring Beginning Teachers, Second Edition* provides a comprehensive and tested plan for helping mentors guide new teachers in moving beyond the basics of plan, teach, evaluate to a higher level of joint assessment and inquiry. *The Supportive Learning Environment* Jennifer Hindman, Leslie Grant, James Stronge, 2013-10-02. This entry in the James H. Stronge Research to Practice Series focuses on the characteristics of teachers who create supportive learning environments for their students. By conveying a sense of immediacy, credibility, and caring, they communicate to students in both verbal and nonverbal ways that are essential to cultivating a positive and productive learning community. In this book, Stronge, Grant, and Hindman provide a comprehensive overview of the qualities of a supportive teacher. They offer a bridge between research-based theories and practical classroom applications with templates, planning forms, and other reproducibles. The authors help teachers move toward establishing a learning environment that contributes to effective instructional practices. Topics include engaging students and their families, effective communication, student ownership of the learning environment, and much more.
