submissiveness and dominance All characters are 18 or older Peter Stanton has always found ways of using his good looks and athletic talents to get ahead and when he arrives in college it doesn't look like that's going to have to change But his easy ride runs out when his professor Alex Whitner notices him flirting with a female classmate only to copy her course work The handsome professor decides it's time to teach Peter a little personal responsibility and maybe show the testosterone charged young man just what someone who actually knows how to handle him looks like Excerpt You know Professor I begin I understand why you have me cleaning the classroom I'm really learning a lesson But as for talking to Jessie I really don't understand why that's so necessary How do you know I don't like her I shrug my shoulders That's the sort of thing I get to decide for myself isn't it I'm not just a child you get to push around like that I wince slightly as I hear the last words come out of my mouth That may have been taking it too far but it was where the conversation was headed anyways That's a very interesting perspective Peter he says in a neutral voice But surely if you cared about her you wouldn't be manipulating her into giving you her work when she clearly didn't want to I roll my eyes in dismissal Professor I say is it really that simple Sometimes you need something from someone that's all It doesn't hurt her any if she helps me out just like it doesn't hurt you any if you forget this whole thing ever happened I put a little emphasis on the if I'm not obvious I think but I do it just enough that he'll interpret the sentence the way I mean it He sits back and considers me for a long moment taking me in all of me I find myself suddenly a little bit self-conscious but try to shake the momentary weakness out of my head What are you doing Peter he asks Why do you think it's appropriate to act this way I try to meet his gaze but I'm finding it increasingly difficult Like what Professor You always trying to push people around to get what you want Do you think I'm some kid who'll go weak-kneed if you flex your muscles What are you talking about Professor I ask as innocently as I can mentally backpedaling as my heart begins to hammer He seems angry It's suddenly obvious to both of us that I don't have the courage to go through with my implied threat What am I talking about He asks incredulously No enough I've wasted too much time trying to teach you like an adult and give you the benefit of the doubt I can see now that I was wrong from the beginning He stands up angry and strong and an inch or two taller than me as he looks down at me He grabs me by my arm and pulls me to face him Look at yourself he says Do you think this is an acceptable way to behave How far in life do you think this sort of stunt will take you I look up at him unable to speak There isn't anything to say But there's something about the way he's looking at me almost like he knows he's supposed to be angry but he's responding in a different way instead almost like he's noticing me the way I noticed him along the pathway this morning I draw in a faltering breath Notice This title includes themes and passages that have been adapted from Jessica Whitethread's Caught By My Professor with full consent of the original author
