

A man and a woman are posed in a sensual manner. The man is shirtless, showing his muscular torso, and is wearing dark jeans. He is looking over his shoulder towards the camera. The woman is wearing a black, backless, form-fitting dress with a wide strap across the back. She is leaning against the man, her hand resting on his shoulder. She is looking down and slightly towards the camera. The background is a plain, light-colored surface.

Life with the Dominus promises to surround her with rich somatic passions, but therein too lies danger, and she's not sure she's strong enough to hang on. Especially when being with Him means submitting her life to **Becoming His Slave**. SYNOPSIS: Dominion of Brothers series, Book One. Trenton Leos isn't just another Master of Doms; he's referred to as Dominus, The Master of them all. Known internationally for his skill with a cane and for serving up the most delectably trained slaves for the Masters who love to possess them. As Dominus, he has everything he could want out of life, except one: his own personal slave. Waiting until he finds the one perfect unicorn for the ultimate surrender, their life to his dominant control. When a friend introduces him to her newest star writer, he's certain he's found his Life Slave. But as he starts to obsess over the nervously petite woman, he soon realizes she can't surrender a lifetime of control she does not possess. So he must make the first sacrifice by letting her go. Katianna Dumas, a writer of erotic romance, is no stranger to the allure of eroticism, and Trenton Leos is probably the sexiest lure she's ever fantasized about. There's just one problem: she doesn't play his game. For four years, Katianna has known the Dominus as little more than the man who'd given her the chance to stand on her own for once. As a friend, he kept his distance.

Close enough to tease the senses but not enough to tease his bed though she likes it when he looks her way After a mishap at Club Pain Katianna finds herself in the protective custody of Trenton Leos for the night and everything changes for the two of them Katianna can't remember what secret desires she exposed but now the Dominus is demanding to court her for the ultimate submission to become his Slave for life Life with Trenton promises to surround her with rich somatic passions but it also comes with dangers and she's not sure she's strong enough to hang on or bear to be let go if she fails to keep up with his desires that constantly overwhelm her
