Gaddini,2022-03-08 Evangelical Christianity is often thought of as oppressive to women The MeToo era when many women hit a breaking point with rampant sexism has also reached evangelical communities Yet more than thirty million women in the United States still identify as evangelical Why do so many women remain in male dominated churches that marginalize them and why do others leave In each case what does this cost them The Struggle to Stay is an intimate and insightful portrait of single women s experiences in evangelical churches Drawing on unprecedented access to churches in the United States and the United Kingdom Katie Gaddini relates the struggles of four women interwoven with her own story of leaving behind a devout faith She connects these personal narratives with rigorous analysis of Christianity and politics in both
