INTRODUCTION

This technical manual is written for an experienced technician and contains sections that are specific to the product. It is a part of a total product support program.

This manual is organized so that all the information on a particular system is kept together. The order of grouping is as follows:

- Table of Contents
- General Diagnostic Information
- Specifications
- Electrical Wiring Diagrams Legend
- Component Location
- System Schematics
- Wiring Diagrams
- Troubleshooting Chart
- Theory of Operation
- Diagnosis
- Tools & Adjustments
- Repair

Note: Depending on the particular section or system being reviewed, not all of the above groups may be used.

Each section will be identified with a number rather than a number. The groups and pages within a section will be consistently formatted.

We appreciate your input on this manual. To help, there are postage paid post cards included at the back. If you find any errors or want to comment on the layout of the manual please fill out one of the cards and mail it back to us.

All information, illustrations and specifications in this manual are based on the latest information available at the time of publication. The right is reserved to make changes at any time without notice.
