Welcome!

This slide could be edited to show your school's name and/or badge. Children, a great big welcome to our first assembly for this school year. It's fantastic to see you all here today and I hope you had a lovely holiday. We have some new faces with us today and I'd like to introduce them... (continue to introduce new staff and pupils).

New Can Be...

So this is a new school year. Did anyone get anything new for coming back to school? A new school bag? A new pencil case? New shoes? A new shirt? A new haircut? How does it feel when something is new? (Allow the children to come up with ideas.) It can be exciting. It can be fun. It can be worrying. It can just be new!

New Things, Sometimes, Just Don't Feel Right!

New things can feel a bit strange. A new school bag can have pockets where you never find anything. The slip-on a new pencil case can be a bit stiff to close. New shoes can be difficult to fasten or a bit hard on your toes. A new shirt can rub your neck at the collar and be a bit uncomfortable. A... or just look different being somewhere new or a... that. It can feel a bit odd. It's different. It's a bit strange. It just doesn't feel right. Many of us don't... something new.
