Western Civilization: Since 1789 Jackson J. Spielvogel, 2003
This is Volume C, chapters 19-29 of the best-selling Western civilization text that has helped hundreds of thousands of students learn about the present by exploring the past. Jack Spielvogel's engaging chronological narrative weaves the political, economic, social, religious, intellectual, cultural, and military aspects of history into a gripping story that is as memorable as it is instructive. Each chapter offers a substantial introduction and conclusion that sparks students' imaginations by giving them a context within which to understand these disparate themes. And while the single author narrative makes it easy for students to follow the story of Western civilization, Spielvogel has included dozens of maps and primary sources, including official documents, poems, and songs that enliven the past while introducing students to the challenges involved in interpreting history. This text is available in many split options:

The First Clash James Lacey, 2013-04-09
NEW YORK TIMES BESTSELLER A compelling and provocative read. With a soldier's eye, Jim Lacey re-creates the battle of Marathon in all its brutal simplicity. Barry Strauss, author of *Masters of Command*, Marathon: one of history's most pivotal battles. Its name evokes images of almost superhuman courage, endurance, and fighting spirit. In this eye-opening book, military analyst James Lacey takes a fresh look at Marathon and reveals why the battle happened, how it was fought, and whether, in fact, it saved Western civilization. Lacey brilliantly reconstructs the world of the fifth century B.C., leading up to the astonishing military defeat of the Persian Empire by the vastly undermanned Greek defenders. With the kind of vivid detail that characterizes the best modern war reportage, he shows how the heavily armed Persian army was shocked and demoralized by the relentless assault of the Athenian phalanx. He reveals the fascinating aftermath of Marathon: how its fighters became the equivalent of our Greatest Generation and challenges the legacy and lessons that have often been misunderstood. Perhaps now more than ever, at our own peril, immediate, visceral, and full of new analyses that defy decades of

conventional wisdom The First Clash is a superb interpretation of a conflict that indeed made the world safe for Aristotle Plato and our own modern democracy With a fresh eye to tactics strategy and military organization and with his text grounded in direct experience of the troops on the battlefield James Lacey gives us not only new understanding of how the Athenians managed to win but also a greater appreciation of the beginning of a long tradition of Western military dynamism that we take for granted today Victor Davis Hanson author of Carnage and Culture Lacey s swords and shields approach will absorb readers ever fascinated by the famous battles of antiquity Booklist A lively and rewarding read Charleston Post and Courier Exemplary Lacey a veteran of the 82nd and 101st Airborne divisions and a professor at the Marine War College brings to the tale of Marathon the practical experiences of the combat soldier and an intellectual sensibility The New Criterion

Understanding Leadership Robert M McManus, Gamaliel Perruci, 2015-04-10 Lao Tzu Marx the Buddha Ibsen Machiavelli these are just a few of the world s great thinkers who have weighed in on the subject of leadership over the centuries Yet the contemporary student of leadership often overlooks many of these names in favour of more recent theorists hailing from the social sciences Understanding Leadership An Arts and Humanities Perspective takes a different angle employing the works of the great philosophers authors and artists found in world civilization and presenting an arts and humanities perspective on the study of leadership The authors build their conceptual framework using The Five Components of Leadership Model which recognizes the leader the followers the goal the environmental context and the cultural values and norms that make up the leadership process Supporting the text are a wealth of case studies which reflect on works such as Ayn Rand s novella Anthem Eug ne Delacroix s painting Liberty Leading the People Charlie Chaplin s film Modern Times Athol Fugard s play Master Harold and the Boys Lao Tzu s poetic work Tao Te Ching and Anton n Dvo k s New World Symphony The authors also introduce studies from various world cultures to particularly illustrate the role cultural values and norms play in leadership This illuminating framework promotes the multidimensional thinking that is necessary for understanding and problem solving in a complex world Understanding Leadership An Arts and Humanities Perspective will be a valuable textbook for both undergraduate and postgraduate leadership students while leadership professionals will also appreciate the book s unique liberal arts and cultural approach
